WELCOME ADDRESS

Dear Attendees,

The Materials Congress 2025 Organizing Committee is absolutely delighted to welcome you to the **26th World Congress on Materials Science and Engineering** which will be held in **Dubai, UAE** on **March 24-25, 2025**, where we will be shining a spotlight on *"Innovative Methodology and Modern Advances in Materials Science & Engineering"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

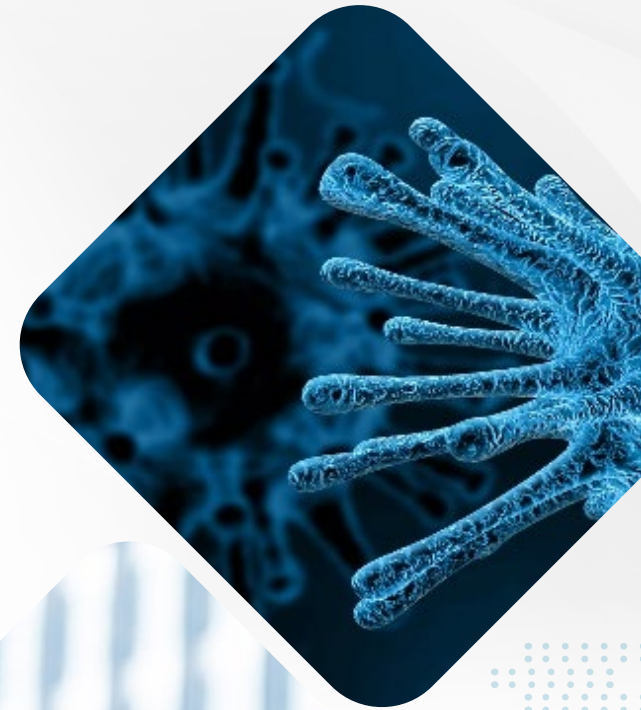

The congress is to be held in one of the world's most important global cities London, UK. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Materials Congress 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

Goals & Objectives

- The Materials Congress 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Materials Science.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Materials Science.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

26th World Congress on Materials Science and Engineering is among the World's leading Scientific Conference. The two day event on Infectious Diseases will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Materials Science & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Materials Science conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Materials Science.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Materials Science provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Materials Congress 2025**.

Who Should Attend?

Materials Congress 2025 Conference website is attracting 56000+ Researchers, academicians, students and business professionals, Engineers

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Fundamentals of Materials Science
- Advanced Material Characterization Techniques
- Nanomaterials and Nanotechnology
- Ceramic Materials: Properties and Applications
- Metals and Alloys Structure and Performance
- Polymer Science and Engineering Innovations
- Composite Materials: Design and Testing
- Materials for Energy Applications
- Advanced Metals and Alloys
- Polymers and Polymer Composites
- Surface Engineering and Coatings
- Advanced Ceramics
- Advanced Materials for Additive Manufacturing
- Materials Degradation and Protection
- Materials for Extreme Environments
- Sustainable Materials and Green Technology
- Advanced Materials in Electronics
- Advanced Magnetic Materials

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT DUBAI

Materials Congress
2025

Dubai, UAE, is a dazzling metropolis that seamlessly blends the ancient and the modern, offering an extraordinary array of experiences that captivate visitors from around the world. From its iconic landmarks and luxury accommodations to its vibrant cultural scene and world-class attractions, Dubai is a city that promises both excitement and relaxation. Here's a closer look at the highlights that make Dubai a premier destination: Dubai's skyline is home to some of the most recognizable landmarks in the world. The Burj Khalifa, the tallest building globally, reaches a staggering height of 828 meters and offers breathtaking panoramic views of the city from its observation decks. Just a short distance away, the Burj Al Arab stands as a symbol of opulence, with its sail-shaped silhouette and luxurious interiors. Another architectural marvel is the Palm Jumeirah, an artificial archipelago shaped like a palm tree, featuring upscale resorts and residential areas. Dubai is synonymous with luxury, and its hospitality industry is second to none. The city boasts a range of high-end hotels and resorts, including the Atlantis The Palm, known for its stunning underwater suites and expansive waterpark, and the Armani Hotel, which epitomizes sophistication. These establishments offer unparalleled service, exquisite dining, and world-class amenities, ensuring a stay that is both indulgent and memorable. For shopping enthusiasts, Dubai is a paradise. The Dubai Mall, one of the largest shopping centers in the world, features over 1,200 retail stores, an indoor ice rink, and a sprawling aquarium. Not far from here, the Mall of the Emirates offers a unique experience with its indoor ski slope, Ski Dubai. For a more traditional shopping experience, the Gold Souk and Spice Souk provide a glimpse into the city's rich trading heritage, where visitors can haggle for gold, spices, and other local goods. Dubai's cultural scene is a vibrant tapestry of tradition and modernity. The Dubai Museum, housed in the Al Fahidi Fort, offers insights into the city's historical and cultural evolution. The Dubai Opera, an architectural masterpiece, hosts a variety of performances ranging from classical music to contemporary theater. The city also celebrates its heritage through events like the Dubai Shopping Festival and Art Dubai, which showcase local and international talent.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- ☞ By Credit Card: Visa, MasterCard or American Express
- ☞ By Bank Transfer
- ☞ By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 699

Package A (Registration + 2 nights' Accommodation): € 1049

Package B (Registration + 3 nights' Accommodation): € 1149

Business

Only Registration: € 649

Package A (Registration + 2 nights' Accommodation): € 1149

Package B (Registration + 3 nights' Accommodation): € 1249

Student

Student Delegate: € 399

Young Researcher Forum: € 449

Important Dates

Abstract submission opens: August 01, 2024

Registration opens: August 01, 2024

On spot registration: January 27, 2025

Registration Benefits:

- ✓ Access to all Sessions
- ✓ Handbook & Conference Kit
- ✓ Certificate Accreditation from the Organizing Committee
- ✓ Abstracts will be published in the conference souvenir and respective international journal
- ✓ Each registrant will get 50% abatement on manuscript publication fee
- ✓ 2 Coffee breaks (Refreshments and snacks) during the conference
- ✓ Lunch during the conference
- ✓ Wi-Fi access

To register online, please visit:
