## Dear Potential Sponsor/Exhibitor,

Conference Series llc LTD., the World Class Scientific Events Organizer is hosting **21<sup>st</sup> World Congress on Materials Science and Engineering** during **May 27-28, 2019** at **Taipei, Taiwan**.

We warmly invite you to sponsor/attend/give a speech at Materials Engineering 2019.

Conference Series llc LTD. Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Materials Engineering 2019 is "Revamping Innovations in Materials Science Research".

Materials Engineering 2019 stands for advertising of the products/services of the companies in the Composite Materials core sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,

## Journals

The Conference is supported by the Editors-  
Journal of Material Sciences & Engineering  
Journal of Powder Metallurgy & Mining  
Bioceramics Development and Applications  
Nanomedicine & Biotherapeutic Discovery  
Nanomaterials & Molecular Nanotechnology

## Why with us???

- 700+ Open Access Journals
- 50000 Editorial team
- 50000 Reviewers team
- 3.5 Million readers
- Quality and quick editorial, review processing
- 21 Days rapid review process
- Publication within 7 days of acceptance

## Conferences

- 3000 Conferences all over the world in 2017-18
- Providing Delegates and Speakers across the globe with an unparalleled opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

## Conference Highlights

- Materials Science and Engineering
- Nanomaterials and Nanotechnology
- Bio Materials and Tissue Engineering
- Polymer Materials and Technologies
- Electrical, Optical and Magnetic Materials
- Computational Materials Science
- Emerging Technologies in Materials Science
- Smart Materials and Technologies
- Advanced Bio-Materials & Bio-Devices
- Environmental and Green Materials
- Ceramics and Composite Materials
- Solar Energy Materials
- Graphene and 2D Materials
- Energy Harvesting Materials
- Surface Engineering

## Unique features

- User friendly/feasible website-translation of your paper to 50 world's leading languages
- Audio version of published paper
- Digital articles to share and explore
- Sharing Option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

# Benefits/Advantages

**12+** Interactive Sessions

Scope of enhancing marketing opportunities and collaborations  
Exposure of your corporate logo in our Materials Engineering 2019 conference website  
Advertising high quality information of your company/products by linking through International Journals  
Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions  
Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies  
Global networking: In transferring and exchanging Ideas  
Conference brings together Eminent Researchers, Business Entrepreneurs and Industry Developers  
We are looking forward for your active participation and make this event a memorable one

### B2B Partnering

Materials Engineering 2019 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

We expect your precious comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

Are you interested in joining as our Scientific Partnering partner?

What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)

Do you have any suggestions for our Scientific Partnering?

Please submit your queries by email to: [materialsengineering@annualcongress.net](mailto:materialsengineering@annualcongress.net), [materialsengineering@materialsmeet.com](mailto:materialsengineering@materialsmeet.com)

Fax: +1-650-618-1414

### Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Materials Engineering 2019, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (May 27, 07:00 AM to May 28, 11:00 PM) without an agreement in writing from the Materials Engineering 2019 Organizers.
