

SPONSORSHIP OPPORTUNITIES

4th Global Meet on
**Materials Science and Nano Materials
Conference**

November 11-12, 2020 | Paris, France

our DELEGATE
is your CLIENT

Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of Materials Science and Engineering, Tribology, Advanced Nanomaterial's, Materials Energy and many more.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and healthcare professionals.

5+ Keynote Sessions

10+ Scientific Sessions

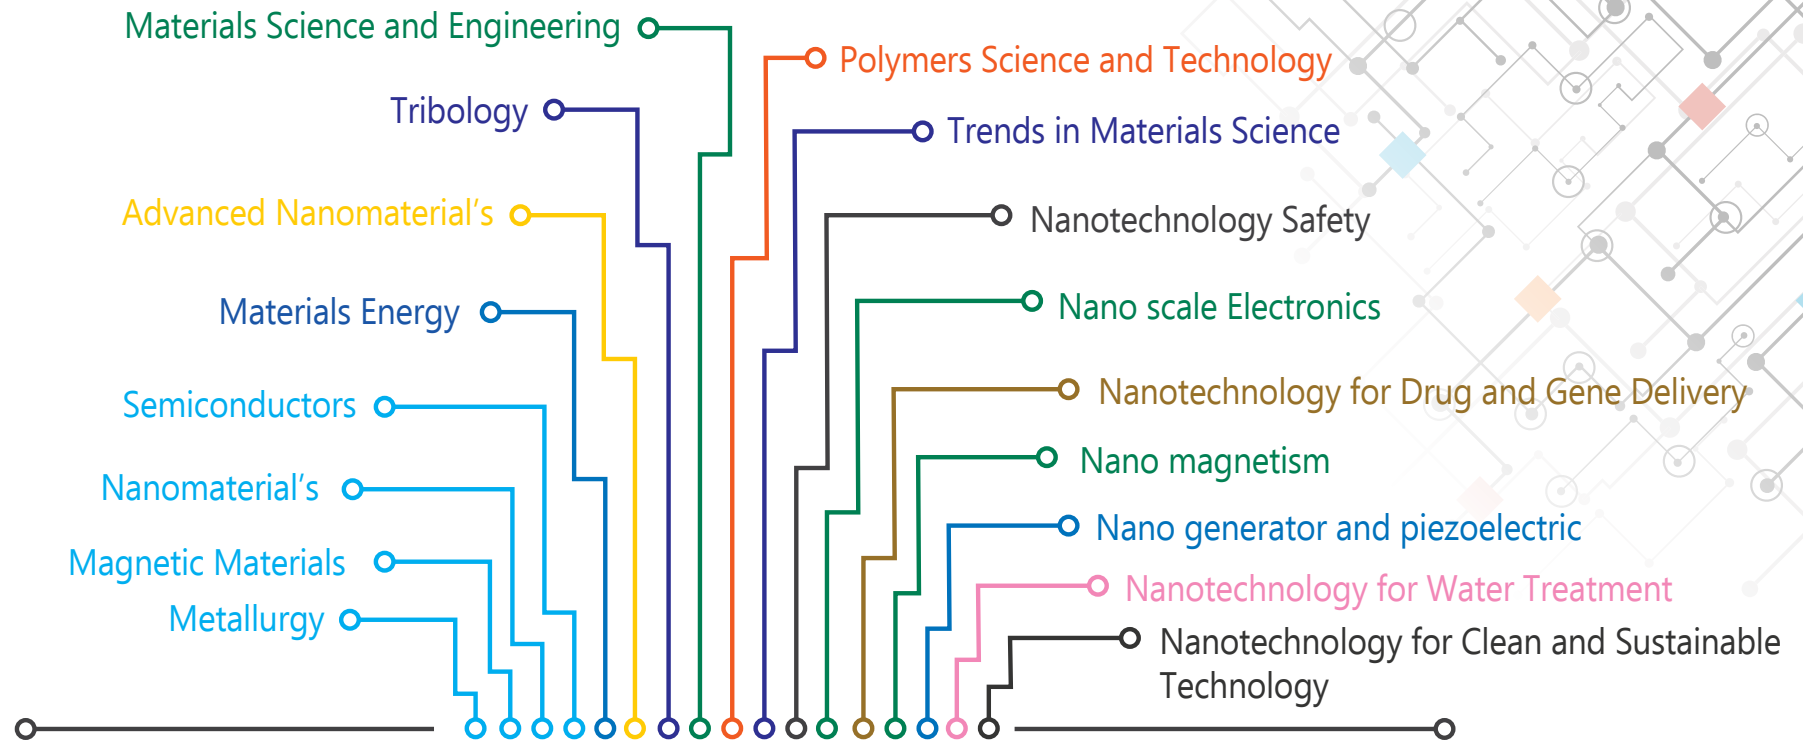

Workshops and
Special Sessions

40+ Oral
Presentations

25+ Poster
Presentations

Young
Researchers
Forum

Conference Sessions

Venue & Hospitality

Paris is the capital city of France and is the most populous city. Since the early 17th century, Paris is the centers of Business, Finance, Science, Technology, Education, Fashion, Art & Culture in Europe. As per an estimation, Paris accounts for 30% of the GDP of France, the largest GDP in the European region and positioned 3rd in the World in terms of GDP growth. Paris is well-known for its Heritage, Museums, Historical places, and Architectural Marvels. In 2016, the Louvre museum was chosen as the most visited Art Museum in the world. The historical district along Seine River is nominated as a UNESCO Heritage Site. The atmosphere of Paris is kind and respectably wet consistently. Paris is well connected by road, railways, and air. There are two international airports (Paris-Charles de Gaulle and Paris-Orly) in Paris serving around 5.23m passengers daily. Paris is well associated with the other major cities of Europe. Coming to the Food, Paris is familiar worldwide as a top gastronomic destination. Paris likes to keep its ingredients traditionally French while pushing the limits on front-line cooking techniques and modern embellishments. The football club Paris Saint-Germain and the rugby union club Stade Français are situated in Paris. The 80,000-situate Stade de France assembled for the 1998 FIFA World Cup and is originated recently north of Paris in the neighboring cooperative of Saint-Denis. Paris has the yearly French Open Grand Slam tennis competition on the red earth of Roland Garros. Paris facilitated the Olympic Games in 1900, 1924 and will have the 2024 Summer Olympics. The 1938 and 1998 FIFA World Cups, the 2007 Rugby World Cup, and 1960, 1984, and 2016 UEFA European Championships were additionally held in the city, and each July, the Tour de France bike race completes in the city.

our DELEGATE is your CLIENT

Exhibitors and sponsors have the opportunity for face-to-face networking with leading world doctors and nurses, increase brand awareness, and develop collaborations with an international audience.

In 2018-2019, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain
