Berlin is a leading global city with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport all contributing to its prominence. It is one of the world’s leading financial center and has the fifth or sixth-largest metropolitan area GDP in the world depending on measurement. Berlin is a world cultural capital. It is the world’s most-visited city as measured by international arrivals and has the world’s largest city airport system measured by passenger traffic. Berlin’s 43 universities form the largest concentration of higher education institutes in Europe.

Berlin is famous for its city’s attractions which incorporate palaces, exhibition halls, workmanship displays, bars and bistros. Inside thirty minutes of the city are mountain strolls, stately homes and gardens, various greens, sandy shorelines and angling towns.
