| | Sandra Gallego, Russian Academy of Sciences, Russia |
| 11:30-12:00 | Title: TBD |
| | Susanne Levati, Russian Academy of Sciences, Russia |
| 12:00-12:30 | Title: Electromechanical characterization of polymer based ordered ZnO nanowire array - Toward application of pressure bio-sensor |
| | Xiaoting Zhang, University in Lyon, France |
| Coffee Break 12:30-13:00 | |
| Chair: Matthias Grauert, Boehringer Ingelheim, Germany | |
| 13:00-13:30 | Title: Antioxidant and Acute Toxicity of Stem Extracts of the Ficus iteophylla |
| | Muhammad Mukhtar, Binyaminu Usman Polytechnic Hadejia Jigawa State, Nigeria |
| 13:30-14:00 | Title: Schiff bases metal complexes and its antimicrobial properties. |
| | Aysel R.Rahimova Department of Chemistry, Baku State University, Baku, Azerbaijan |
| 14:00-14:30 | Title: Deformation of magnesium alloys for lightweight structural applications |
| | Daolun Chen, Ryerson University, Canada |
| Coffee Break 14:30-15:00 | |
| POSTER PRESENTATIONS | |
| 15:00-15:30 | Title: Synthesis and antiproliferative activity of novel amino substituted tetracyclic imidazo[4,5-b]pyridine derivatives. |
| | Marijana Hranjec, Faculty of Chemical Engineering and Technology University of Zagreb |
| 15:30-16:00 | Title: Synthesis and in vitro antitumor activity of novel 6-amidino-substituted 2-alkyl-bisbenzothiazoles. |
| | Livio Racané, University of Zagreb, Zagreb, Croatia |
| Closing Ceremony | |
