Accommodation

A large number of rooms have been reserved. Discounted room rates for Medicinal Plants 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Medicinal Plants and Natural Products research.

About Osaka

Osaka is the second largest city in Japan. It is the capital city of Osaka Prefecture and the largest part of the Keihanshin Metropolitan Area, the second biggest metropolitan region in Japan and among the largest on the planet more than 19 million inhabitants. Osaka is the second biggest city in Japan by daytime populace after Tokyo's 23 wards and the third biggest city by evening time populace after Tokyo's 23 wards and Yokohama, filling in as a noteworthy financial center for the nation. A significant part of the development brought about increment in specialist efficiency. This higher efficiency was expected mostly due to: expanded capital per laborer, progress in innovation, a highly educated and talented work constrain, steady government strategies and a decent world exchange condition.
