Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Mental Health Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Mental Health & Psychiatry.

About Rome

Rome, Italy's capital is a sprawling, cosmopolitan city with nearly 3,000 years of globally influential art, architecture and culture on display. Ancient ruins such as the Forum and the Colosseum evoke the power of the former Roman Empire. Vatican City, headquarters of the Roman Catholic Church, has St. Peter's Basilica and the Vatican Museums, which house masterpieces such as Michelangelo's Sistine Chapel frescoes. Rome was called the "Eternal City" by the ancient Romans because they believed that no matter what happened in the rest of the world, the city of Rome would always remain standing. Exploring the city centre by foot surrounded by glorious monuments and colossal remains takes you back in time to the "glory that was Rome"..

Abstract Submission
