25th World Congress on Nanomaterials and Nanotechnology

March 25-26, 2019 | Yokohama, Japan

Tentative Program

Networking Speaker Session I (11:30-13:00) Nan I Adv Pane Lunch Break Nan Speaker Session II (13:40-16:00) Nan Pane Pane Lunch Break Nan Speaker Session II (13:40-16:00) Nan Pane Nan Speaker Session II (13:40-16:00) Nan Networking and Refreshments Break Nan Speaker Session III (16:15-18:00) Mak In Person Mak	Opening Ceremony y & Keynote Speeches (09:00-11:30) g and Refreshments Break Group Photo notechnology in materials science Application of Nanotechnology vanced Nanomaterials Nanoparticles el Discussions nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions ondechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Networking Speaker Session I (11:30-13:00) Nan I Adv Pane Lunch Break Nan Speaker Session II (13:40-16:00) Nan Pane Pane Lunch Break Nan Speaker Session II (13:40-16:00) Nan Pane Nan Speaker Session III (13:40-16:00) Nan Networking and Refreshments Break Nan Speaker Session III (16:15-18:00) Mak In Person Mak	g and Refreshments Break Group Photo notechnology in materials science Application of Nanotechnology lvanced Nanomaterials Nanoparticles el Discussions nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Speaker Session I (11:30-13:00) Nan Adv Pane Lunch Break Nan Speaker Session II (13:40-16:00) Nan Pane Pane Nan Pane Speaker Session II (13:40-16:00) Pane Pane Pane Speaker Session III (13:40-16:00) Nan Speaker Session III (16:15-18:00) Nan Mak In Pe	notechnology in materials science Application of Nanotechnology Ivanced Nanomaterials Nanoparticles el Discussions nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Speaker Session I (11:30-13:00) Adv Pane Lunch Break Speaker Session II (13:40-16:00) Pane Nan and Pane Speaker Session II (13:40-16:00) Pane Nan Speaker Session II (13:40-16:00) Pane Nan Speaker Session III (16:15-18:00)	Vanced Nanomaterials Nanoparticles el Discussions nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Panel Lunch Break Speaker Session II (13:40-16:00) Panel Panel Nan and Panel Nan Speaker Session II (13:40-16:00) Panel Nan Speaker Session III (16:15-18:00) Maker Session III (16:15-18:00)	el Discussions nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Lunch Break Nan Speaker Session II (13:40-16:00) and Pane Pane Networking and Refreshments Break Nan Speaker Session III (16:15-18:00) Mak in Person Nan	nomedicine and Bionanotechnology Nanophysics Nanostructures Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Speaker Session II (13:40-16:00)Nan andPandNetworking and Refreshments BreakSpeaker Session III (16:15-18:00)Mak in Person	Nanofabrications Nano Robotics el Discussions notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology

Networking and Refreshments Break Nan Speaker Session III (16:15-18:00) Mak in Po	notechnology in communications & Information Technology king of Nanomaterials Functional Nanomaterials Nanotechnology
Speaker Session III (16:15-18:00) Nan in Pe	king of Nanomaterials Functional Nanomaterials Nanotechnology
Speaker Session III (16:15-18:00) Nan in Pe	king of Nanomaterials Functional Nanomaterials Nanotechnology
Pap	olymers
r di i	el Discussions
	Day 1 concludes
	Day 2 March 26, 2019
	Introduction
Plenary	y & Keynote Speeches (09:00-11:30)
Networkin	g and Refreshments Break Group Photo
	chanical application of Nanotechnology Nanotechnology for ogical system Nanotechnology in energy Nanoelectronic devices
Pan	el Discussions
Lunch Break	-
Bio Speaker Session II (13:40-16:00) Proc	Materials and Tissue Engineering Advanced Materials Design & cessing Computational Materials Science Electronic and Magnetic terials
Pan	el Discussions
Networking and Refreshments Break	
	notech products Nanomedical devices Nanochemistry notechnology in Space
Pan	el Discussions
	Awards & Closing Ceremony
