

World Congress on

Advanced Nano Research and Nano Tech Applications

September 07-08, 2020 | Sydney, Australia

*Theme: “Advancements made in the Nano
Research and Nano Applications”*

Invitation...

Dear Colleagues,

World Congress on Advanced Nano Research and Nano Tech Applications (Nano Research 2020) extends its welcome to you during **September 07-08, 2020** at **Sydney, Australia**. with a theme "**Advancements made in the Nano Research and Nano Applications**". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **Nano Research 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Advanced Nano Research and Nano Tech Applications.

Why to Attend???

With members from around the world focused on learning about Nanoscience and Nanotechnology; this is your best opportunity to reach the largest assemblage of participants from the Nanoscience and Nanotechnology community. Conduct presentations, distribute information, meet with current and potential scientists, make a splash with new drug developments, and receive name recognition at this 2-day event. World-renowned speakers, the most recent techniques, developments, and the newest updates in Nano Science and Nano technology are hallmarks of this conference.

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Advanced Nano Research and Nano Tech Applications are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Nanostructured Materials
- Nano toxicology
- Optics and Lasers Technology
- Nano Computational Modeling
- DNA Nanotechnology
- Nano Pharmaceuticals
- Cancer Nanotechnology
- Recent developments in Nanotechnology and Nano science
- Carbon Nanotechnology
- Advanced Nanomaterial's
- Physics of Graphene
- Nanotechnology in Agriculture, Water treatment and Food Industry
- Nano robotics, Assembly and Automation
- Future Challenges in Nanotechnology
- Nanotechnology in Energy Storage
- Nanotechnologies in the Food Industry
- Nano Tribology
- Internet of Nano Things (IoNT)
- Drug Delivery and Nano Particles

Nano Research 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
 - ☞ Research & Reviews: Journal of Pharmaceutical Analysis
 - ☞ Journal of Pharmacy and Pharmaceutical Sciences
 - ☞ Journal of Pharmaceutical Sciences & Emerging Drugs

Program at Glance

September 07, 2020

Time	Session
08:30 - 09:30	Registrations
09:30 -11:30	Keynote Forums
	Group Photo
11:30 -11:45	Network & Refreshment Break
11:45 -13:00	Nano toxicology Optics and Lasers Technology Nano Computational Modeling
13:00 -13:45	Lunch Break
13:45 -16:00	Nano Science and Technology Consortium Nanostructured Materials DNA Nanotechnology
16:00 -16:15	Network & Refreshment Break
16:15 -18:00	Nanomedicine and Nanotechnology Cancer Nanotechnology
	Day Concludes

September 08, 2020

Time	Session
08:30 - 09:30	Registrations
09:30 -10:30	Keynote Forums
10:30 -11:30	Physics of Graphene Nano robotics, Assembly and Automation Future Challenges in Nanotechnology
11:30 -11:45	Network & Refreshment Break
11:45-13:00	Nanotechnology in Energy Storage
13:00 -13:45	Lunch Break
13:45 -16:00	Internet of Nano Things (IoNT) Drug Delivery and Nano Particles
16:00 -16: 15	Network & Refreshment Break
16:15 -18:00	Poster Presentations
	Day Concludes
	Award Ceremony
	Conferece Concludes

Sydney, the capital state of New South Wales and the most populous city in Australia and Oceania. Located on Australia's east coast, the metropolis surrounds the world's largest natural harbor and sprawls about 70 km (43.5 mi) on its periphery towards the Blue Mountains to the west, Hawkesbury to the north and Macarthur to the south.

Despite being one of the most expensive cities in the world, the 2014 Mercer Quality of Living Survey ranks Sydney tenth in the world in terms of quality of living, making it one of the most livable cities. It is classified as an Alpha World City by Globalization and World Cities Research Network, indicating its influence in the region and throughout the world. Ranked eleventh in the world for economic opportunity, Sydney has an advanced market economy with strengths in finance, manufacturing, and tourism. There is a significant concentration of foreign banks and multinational corporations in Sydney and the city is promoted as one of Asia Pacific's leading financial hubs.
