# Program Announcement

## *Accommodation*

*A large number of rooms have been reserved. Discounted room rates for Nano Electronics 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.*

## *Exhibition and Sponsorship*

*An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Nano Electronics and Advanced Computer Applications.*

## *About Bangkok*

*Bangkok is the capital and most populous city of Thailand. It is known in Thai as *krung Thep Maha Nakhon* or simply *Krung Thep*. The city occupies 1,568.7 square kilometres (605.7 sq mi) in the Chao Phraya River delta in central Thailand, and has a population of over eight million, or 12.6 percent of the country's population. The city is now a regional force in finance and business. It is an international hub for transport and health care, and has emerged as a centre for the arts, fashion, and entertainment.*
