Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Nanomedicine 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Nanomedicine and Nanotechnology in Health Care.

About Osaka

Osaka is Japan's capital and the world's most populous metropolis. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Osaka. It has neon, skyscrapers, salaryman crowds, packed trains, cutting-edge architecture and futuristic technology. But it also has ancient shrines, plant-covered wooden houses, cycling grannies, old-school sweet shops and village-like lanes.
