Invitation...

Dear Colleagues,

Conference Series LLC welcomes you to attend Annual Meeting on Naturopathic Physicians and Acupuncturists during July 24-26, 2017 at Melbourne, Australia with the theme “Encouraging, Unwinding Nature’s Recipes for Health with New Innovations in Treatment and Rehabilitation”. This international meet (Naturopathy 2017) provides the perfect platform for the scientific community as an interactive and engaging 3-day event: unique in format, content, networking and engagement. The event brings together truly innovative thinkers who are leading the way through trialing new disruptive solutions.

***Speaker and Poster Opportunities Available***
Plan a trip in Melbourne
Melbourne is the capital and most populous city in the Australian state of Victoria, and the second most populous city in Australia and Oceania. Melbourne rates highly in education, entertainment, health care, research and development, tourism and sport, making it the world’s most livable city—for the fifth year in a row in 2015.

Discover Melbourne’s secret laneways and rooftops, the cultural hub of Federation Square, buzzing bars, boutiques and eateries, and the iconic MCG. Experience St Kilda, the Royal Botanic Gardens, bohemian Brunswick Street and the nation-stopping excitement of the Spring Racing Carnival. Join world class events such as the Australian Grand Prix. Day trip to the Mornington Peninsula or to Phillip Island for fairy penguins.

Experience all the thrill and excitement of Victoria’s snowfields. Hit the slopes, unwind in boutique accommodation, and watch the sun set over the stunning Victorian High Country. There's no end of children’s activities on offer, including ski-school for all ages and abilities. Get out on the mountain and enjoy everything from skiing and snowboarding to toboggan rides and snow tubing. Explore the Alpine trails on a snow shoe expedition, or just step out the front door of your chalet and join the kids in building a snowman.

Get outside and find abundant nature and wildlife in Victoria, from desert landscapes to rugged coastline, lush alpine outlooks to inland waterways. Take the time to explore Victoria’s diverse natural landscapes and iconic wildlife while you travel. Wander across sand dunes and snow white beaches, trek through lush green rainforests and rugged desert country, while getting up close to the natural inhabitants as you go.

**You’ll fall in love with Melbourne, Australia**
