Program Announcement

Venue

Auckland, New Zealand

Important Dates

Abstract submission opens: November 28, 2018

Registration opens: November 28, 2018

Early bird registration: March 10, 2019

On spot registration: August 12, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Neuro 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Meeting. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of all the advancements in the field of medicine.

About Auckland, New Zealand

Auckland – The City of Sails

Auckland, the largest city in New Zealand is a vibrant place with a mix of various cultures, tastes and land-scape. The city is set between 2 harbors and is a wonderful place consisting of beaches, islands, vineyards. It is well known as the “City of Sails” because of the many yacht harbors and sailboats.

Location: The 2 main islands Of New Zealand are North Island and South Island and Auckland is in the north of the North Island. It rests on a narrow Isthmus between 2 harbors, Manukau Harbor and the Waitemata Harbor. Auckland is at the center of the Hunua Hilly Ranges to the south-east, the Hauraki Gulf in the east which is a part of the Pacific Ocean, Manukau marina in the south-west and other smaller ranges to the west and north-east respectively.

Tourist Attractions: Sky Tower: The Sky Tower is 328 meters tall and is 20 years old. It is an exciting destination for adrenaline pumping activities, fine dining and breathtaking scenery.

Rainbow’s End: The theme park is New Zealand’s largest theme park covering 23 acres. It is located at Manukau.Motat Museum: The Museum of Transport and Technology opened in 1960 is one of the largest museums of its kind, well known for hosting huge collections of military and civilian aircraft and vehicles.
