## B2B Meetings

### Venue

Perth, Australia

### Important Dates

Abstract submission opens: November 10, 2018

Registration opens: November 15, 2018

Early bird registration: December 05, 2018

On spot registration: June 10, 2019

### Accommodation

A large number of rooms have been reserved. Discounted room rates for Neuro-Ophthalmology 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

### Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Neuro Science and Ophthalmology.

### About Perth

Perth is one of the planet's most isolated capital cities, yet this sun-soaked capital of Western Australia defies its remote location by boldly flaunting its riches - and there are many, both natural and material. A gorgeous setting astride the winding Swan River, with a string of pearly beaches nearby, provides the perfect playground for outdoor adventures. Sailing, swimming, fishing, and boating are all popular things to do, and in the center of the city, beautiful Kings Park brims with natural bushland and panoramic views. Like Melbourne, Perth frequently ranks as one of the world's most loveable cities because of the perfect harmony that exists between nature and urban life. The city exudes a refreshingly relaxed vibe. But you'll still find plenty of big-city tourist attractions and activities. You can dine at fine restaurants, shop at stylish boutiques, browse art galleries and museums, or see some of the country's top talent at its lively entertainment venues. Not far from the city, idyllic Rottnest Island is a popular day trip destination, as is Fremantle, at the mouth of the Swan River. This historic port is the namesake of the famous Fremantle Doctor, a cool sea breeze that blasts the summertime heat from this effervescent, affluent and gregarious city. Perth is a lively city filled with festive bustles all-round the year.
