

NEUROLOGICAL DISORDER

# WEBINAR 2020

## SCIENTIFIC PROGRAM

26<sup>th</sup> Annual Summit on  
NEUROSCIENCE AND NEUROLOGICAL DISORDER

18 MAY | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
