

WEBINAR 2021

SCIENTIFIC PROGRAM

JOINT EVENT

30th World Congress on **Neurology and Therapeutics**

31st International Conference on
Neurology and Cognitive Neuroscience

32nd International Conference on
Adolescent Medicine and Child Psychology

February 22 | 2021

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
