Invitation...

Dear Colleagues,

Conference Series LLC extends its welcome to **15th European Neurology Congress** during **August 29-31, 2017** at **London, UK** with a theme **"Harnessing the understanding and advancement in Neurology and Neuroscience"**. Conference Series LLC through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community.

Conference Series LLC Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members.

This neuroscience Conference will focus on educational research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. This would be a great opportunity for attendees enhance and display their work at an international platform.

Conference will focus on the following topics during presentations of the three day event, which reflect current education research, developments and innovations internationally and as evidenced in Neuroscience, Surgery and other treatments.

- Teaching, Assessment and Learning in University and Clinical Practice
- Technology, Simulation and Education
- Continuing Professional Development
- Continuing Medical Education
- Patient Safety
- Innovation, Academic Leadership and Evaluation Research
- Midwifery Education

Organizing Committee Members

Rodney Leacock

Palmetto Health-USC Medical Group
USA

Pankaj Sharma

Director, University of London and
Imperial College London, UK

Giovanni Antioco Putzu

Professor, Quartu Sant'Elena
Italy

Giulio Maria Pasinetti

Professor Neurology
Mount Sinai School of Medicine
USA

Allal Boutajangout

New York University
USA

Evelyn M. Garcia

Chairman and Medical Director,
Virginia Tech Carilion School of
Medicine, USA

More....

SCIENTIFIC PROGRAM	
August 29-31, 2017 London, UK	
Day 1	
August 29, 2017	
Registrations	
Opening Ceremony	
Keynote Forum	
Allal Boutajangout, New York University, USA	
Pankaj Sharma, University of London and Imperial College London, UK	
Networking & Refreshment Break	
Evelyn M. Garcia, Virginia Tech Carilion School of Medicine, USA	
Giulio Maria Pasinetti, Mount Sinai School of Medicine, USA	
Session on: Neurology Neurological Disorders Neuroimaging and Radiology	
Session Introduction	
Session Chair: TBA	
Title: Therapy and Immunotherapy Targeting Alzheimer's Disease	
Allal Boutajangout, New York University Langone Medical Center, USA	
Title: Chiropractic cranial treatment model and neuroplasticity in a post stroke 72-year-old male: A case report	
Esther M. Remeta, Chiropractic Research Institute (CRI), USA	
Title: Comprehensive stroke care in the rural setting is not a myth	
Evelyn M Garcia, Carilion Clinic, USA	
Title: Selective Brain Penetrable Nurr1 Transactivator as a Novel Disease-Modifying Compound for Treatment of Parkinson's Disease	
Giulio Maria Pasinetti, Department of Neurology, Icahn School of Medicine at Mount Sinai USA	
Lunch Break	
Title: Neuroprotective role of Vitamin D in primary cortical neuronal cultures	
Samina Hyder Haq, King Saud university Riyadh, Saudi Arabia.	
Title: Shared biology in gut/heart-brain interaction following stress: commonalities in signal molecules and pharmacology integrated by Gan and Shu-Gan	
Xi Huang, Nanjing University of Chinese Medicine, China	
Title: Identification of proteins differentially expressed by quercetin treatment in a middle cerebral artery occlusion model – a proteomics approach	
Phil-Ok Koh, Gyeongsang National University, South Korea	

Title: A retrospective study on the demographic profile, clinical course, and managemen of children admitted with febrile seizures in a tertiary care hospital from 2010 to 2016	
Jarren Mae R. Escape, Makati Medical Center, Philippines	
Title: Comparison of Movement Related EEG potential during Unexpected and Self-paced Gait Initiation	
Joo-Hee Park, College of Health Science, Yonsei University, Republic of Korea	
Session Discussion	
Networking & Refreshment Break	
Session on: Neuro Infecticious Diseases Neuroimmunology	
Session Introduction	
Session Chair: TBA	
Title: The clinical phenotype and pathology of patients with Motor Neuron Disease who underwent post mortem in Scotland	
Zhi Min Soh, University of Edinburgh Medical School, United Kingdom	
Title: DystexiA: Assistive Technology for Children with Dyslexia Allowing Rehabilitation of Present Symptoms While Reading	
Tereza Pařilová, Masaryk University, Czech Republic	
Title: Anoxic Encephalopathy: A Retrospective Study from Deep Brain Stimulation Implanted In Adults and Children	
Ana Moura, CHU Montpellier, France.	
Day 2	
August 30, 2017	
Keynote Forum	
George Perry, University of Texas at San Antonio, USA	
Walter Bini, ISLASS Middle East Chapter, UAE	
Radu Mutihac, University of Bucharest, Romania	
Alok Sharma, Neuro Gen Brain & Spine Institute, India	
Networking & Refreshment Break	
Session on: Neuropathology Neurophysiology & Neuropsychiatry	
Title: This uncontrolled pilot study assessed short-term effectiveness and acceptability of "brain music therapy" (BMT), a self-guided neurofeedback intervention for anxious insomniacs.	
Galina Mindlin, Brain Music Treatment Center, USA	
Title: Varenicline Reduced Dna Damage And Tau Mislocalization To Prevent Cognitive Impairment Induced By Laparotomy In Aged Mice	

Chunxia Huang, The University of Hong Kong, China
Title: Improving the Control on Post-Stroke Complications in Georgia
Tamar Janelidze, Akaki Tsereteli State University, Georgia
Title: Palmitoylethanolamide trial on Charcot-Marie-Tooth (CMT) Neuropathy
Giovanni Antioco Putzu, Casa di Cura Sant'Elena, Italy
Title: The impact of cognitive reserve on event-related potential changes during working memory activation in amnesia mild cognitive impairment
Lihua Gu, Neuropsychiatric Institute and Medical School of Southeast University, China
Lunch Break
Session on: Neurology treatment & Neurosurgery Neuroplasticity
Session Introduction
Title: Validating Tuba1b Changes in Microarray Gene Expression in the Anterior Prefrontal Cortex of People with Schizophrenia, and Defining its Impact on Cellular Functioning
Ella Noorian, Melbourne University and Florey Institute of Neuroscience & Mental Health, Australia
Title: Exercise-induced time-dependent changes in plasma BDNF levels of schizophrenic individuals
Viviane Rostirola Elsner, Reabilitação do Centro Universitário Metodista-IPA, Brazil
Title: Botulinum toxin type A in pain treatment- Clinical experience with 100 patients
Massinissa Lounis Algeria, Nedir Mohamed Teaching Hospital, Algeria
Title: Clinical Brain Volumetry Assessment - Objective insight into the brain
Jamila Ahdidan, Brainreader, Denmark
Title: Can domestic helpers moderate distress of offspring caregivers of cognitively impaired older adults?
Alice Ming-Lin CHONG, City University of Hong Kong, China
Day 3
August 31, 2017
Keynote Forum
Ivan G. Milanov, Bulgarian Society of Neurology, Bulgaria
Jera Kruja, University of Medicine, Albania
Abderrahmane Chahidi, SMNPH, Morocco
Wai Kwong Tang, Chinese University of Hong Kong, China
Networking & Refreshment Break
Session on: Peripheral Nervous System

Session Introduction
Session Chair: TBA
Title: Potential predictors of peak aerobic capacity in subacute stroke patients Eun Young Han, Jeju national university, Korea
Title: Neurophysiologic Assessment of Autonomic NervousSystem Functions in Children with Primary Mono- Symptomatic Nocturnal Enuresis Rania Tomerak, Cairo University children's hospital, Egypt
Title: Magnesium elevation affects fate determination of primary cultured adult mouse neural progenitor cells via ERK/CREB activation Wang Liao, Sun Yat-Sen University, China
Title: Nerve growth factor stimulates glioblastoma proliferation through Notch1 receptor signaling In Bok Chang, Hallym University Sacred Heart Hospital, Korea
Session Discussion
Networking & Refreshment Break
Poster Presentations
Lunch Break
Session on: Neuropharmacology
Session Introduction
Session Chair: TBA
Title: Relationship among the spinal cord volume, focal spinal pathology and disability in multiple sclerosis patients Manuela Vaneckova, Charles University and General University Hospital, Prague, Czech Republic
Title: A novel gene in NEIMANN PICK C disease Harsh bhardwaj, Army hospital, India
Title: Results of HLA-DR typing and autoantibody response in juvenile multiple sclerosis in Kazakh population Z. R. Idrissova, S. D. Asfendiyarov Kazak National Medical University, Kazakhsatn
Title: Mitochondrial translational inhibitors induce the expression of mitochondrial transcripts in human neuroblastoma SH-SY5Y cells; targeted therapy for Neuroblastoma. Hina Shakeel, University of Karachi, Pakistan
Closing Ceremony

Glimpses of past conference

Tourist Attractions

CLIMATE:

August is a great time to visit London, UK, when the summer season is coming to a close. During this month, the average temperature is 18°C – the highest average temperature for the whole year. As August progresses, the daily temperatures slowly decrease as summer blends into autumn. The highest temperature ever recorded in recent times in London in August is 38°C, with the lowest temperature ever recorded for this month being 10°C. Compare these figures to the average temperature for the month – 18°C – and it's easy to see that they're the extremes and certainly aren't what you should expect during your holiday.

CURRENCY:

Pound sterling (£ / GBP) currency is used in London, UK. There are 100 pence (p) to the pound (£). Notes come in denominations of £5, £10, £20 and £50. Coins come in 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2. All major credit cards are widely accepted in Italy. Visit www.xe.com for current exchange rates.

London Public Transport Tickets & Travel Passes

Unlimited travel in central London: Get a 1, 2, 3 or 6 day London Pass + Oyster Travelcard for the cheapest way to travel around the city. The Oyster Travelcard covers journeys on London's public transport network including underground, buses, overground trains and the DLR - any time of day, any day of the week!

What do you get from Travel Passes?

Access to all London Transport Networks

London Underground (Tube)

Buses

Docklands Light Rail

Overground Trains

Travel any time of day, any day of the week around Central London

Cheapest and most flexible travel around the city

Save hassle of buying daily tickets as the Oyster Travelcard is your all-inclusive electronic ticket

Save money with daily credit limits as you won't be charged after multiple journeys

London Taxi Fares

Fares and journey times may be higher if there are delays or heavy traffic.

Distance	Approx journey time	Monday to Friday
1 mile	6 - 13 mins	£5.80 - £9
2 miles	10 - 20 mins	£8.80 - £14
4 miles	16 - 30 mins	£15 - £22
6 miles	28 - 40 mins	£23 - £30

London Bus Ticket Prices

- Pay as you go for £1.50 with contactless or Oyster on all London buses that display the red roundel shown here.
- Touch your contactless card/device or Oyster card on the yellow card reader when you board the bus. Don't touch out when you get off.
- You can travel on all buses in London that display the red roundel (illustrated above) if you have a:
 - Travelcard or Bus & Tram Pass on your Oyster card
 - Paper Day Travelcard
 - One Day Bus & Tram Pass
- You can't use cash to pay for your bus fare.

Venue

One of the world's most visited cities, London has something for everyone: from history and culture to fine food and good times.

London is as much about wide-open spaces and leafy escapes as it is high-density, sight-packed exploration. Central London is where you will find the major museums, galleries and most iconic sights, but visit Hampstead Heath or the new Queen Elizabeth Olympic Park to escape the crowds and view the city's greener hues up close. Or venture even further out to Kew Gardens, Richmond or Hampton Court Palace for excellent panoramas of riverside London.

The United Kingdom of Great Britain and Northern Ireland, commonly known as the United Kingdom (United Kingdom) or Britain is a sovereign state located off the north-western coast of continental Europe. The country includes the island of Great Britain (a term sometimes loosely applied to the whole state), the north-eastern part of the island of Ireland, and many smaller islands.

The total area of the United Kingdom is approximately 243,610 square kilometres (94,060 sq mi). The country occupies the major part of the British Isles archipelago and includes the island of Great Britain, the north-eastern one-sixth of the island of Ireland and some smaller surrounding islands. The United Kingdom has a temperate climate, with plentiful rainfall all year round.

Venue:

Park Inn by Radisson London Heathrow
Bath Rd, Sipson, Heathrow UB7 0DU
London United Kingdom
