# Invitation

Dear Attendees,

The Neurology Congress 2020 Organizing Committee is absolutely delighted to welcome you to the **34<sup>th</sup> European Neurology Congress** which will be held in **Zurich** on **24-25, June 2020**.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Neurology, Clinical Neurophysiology, Pediatric Neurology, Neurogenetics and Neurometabolic Disorders. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in a city which is steeped in history and buzzing with energy. The city is home to a large number of financial institutions and banking giants. Most of Switzerland's research and development centers are concentrated in Zurich and the low tax rates attract overseas companies to set up their headquarters there. Many museums and art galleries can be found in the city, including the Swiss National Museum and the Kunsthaus. Schauspielhaus Zurich is one of the most important theatres in the German-speaking world..

We look forward to seeing/welcoming you in 2020 for an experience of a lifetime.

A hundred thousand welcomes to PC 2020
