

WEBINAR 2020

SCIENTIFIC PROGRAM

JOINT EVENT on
34th European Neurology Congress
&
13th International Conference on Dementia and Vascular Dementia
&
26th International Conference on Neurosurgery and Neuroscience

24 JUNE | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
