A large number of rooms have been reserved. Discounted room rates for Neuroscience-2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Neurology and Psychology.

## About Rome

Rome, situated on the banks of Tiber river is the capital city of Italy and capital for Lazio region as well. Over the span of two and half thousand years Rome has become from a small Latin village to Centre of many vast Empires. Rome is one of the oldest continuously occupied empires in Europe making it the Eternal City, with the Reign of Constantine and Bishop of Rome the city has established as the center for Catholic Church. The city is famous for huge catholic churches, Museums, Galleries, Colosseum. Sports, Art and religion are major foundations on which Rome is built. Rome is the major center during Renaissance movement, Piazza del Campidoglio by Michelangelo is one of the major Renaissance architectures.

Today Rome is one of the major tourist cities in the world due to innumerable cultural, archeological treasures like huge sculptures, fountains, architecture, Ivory Carvings, Basilicas, Piazzas, parks, Gardens. The Roman Forum, the Domus Aurea, the Pantheon, Trajan's Column, Trajan's Market, the Catacombs, the Baths of Caracalla, Castel Sant'Angelo, the Mausoleum of Augustus, the Ara Pacis, the Arch of Constantine, the Pyramid of Cestius, and the Bocca della Verità. Italian food is world famous, their pizzas and pastas are world renowned.
