Glimpses of Past Conference

City Attractions

Hong Kong, a business port located off the south-east coast of China. Archaeological findings suggest that the region has been inhabited since the Old Stone Age, and later with its loose incorporation into the Chinese empire during the Qin dynasty (221–206 BC). Starting out as a farming fishing village and salt production site, Hong Kong later evolved into an important free port and eventually a major international financial centre.

Hong Kong Attractions: Hong Kong Disneyland a theme park located in Lantau Island has many themed lands like Adventureland, Fantasyland, Tomorrowland, Grizzly Gulch, Mystic Point and Toy Story Land. Tian Tan Buddha known as Big Buddha is located is a large bronze statue of Buddha Shakyamuni in Ngong Ping, Lantau Island. Victoria Peak is the highest point on Hong Kong Island with seven million visitors every year. It offers views over Central, Victoria Harbour, Lamma Island and the surrounding islands. Peak Tram is a funicular railway which carries both tourists and residents to the upper levels of Hong Kong Island offering good view over the harbour and skyscrapers of Hong Kong. Sky100 is a 360-degree indoor observation deck on the 100th floor of the International Commerce Centre in West Kowloon, Hong Kong. Hong Kong Space Museum is a museum of astronomy and space science in Tsim Sha Tsui. It was the first local planetarium. Lamma Island is the third largest island in Hong Kong. Lamma is peaceful and tranquil with an abundance of natural scenery. Ten Thousand Buddhas Monastery is a Buddhist temple located in Sha Tin.
