Accommodation

A large number of rooms have been reserved. Discounted room rates for Nurse Practitioner 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Nursing and Medicine.

About Hong Kong

Hong Kong, a business port located off the south-east coast of China. Archaeological findings suggest that the region has been inhabited since the Old Stone Age, and later with its loose incorporation into the Chinese empire during the Qin dynasty (221–206 BC). Starting out as a farming fishing village and salt production site, Hong Kong later evolved into an important free port and eventually a major international financial centre.

Hong Kong is a popular tourist destination in southeastern Asia, with a mixture of Eastern and Western cultural influences. It has four main areas: Hong Kong Island, Kowloon, the New Territories and a group of smaller islands. The words Hong Kong mean “Fragrant Harbor,” so named because of its deep-water harbor, which has contributed to Hong Kong’s success as a center for international trade and finance.

Hong Kong Attractions: Hong Kong Disneyland a theme park located in Lantau Island has many themed lands like Adventureland, Fantasyland, Tomorrowland, Grizzly Gulch, Mystic Point and Toy Story Land. Tian Tan Buddha known as Big Buddha is located is a large bronze statue of Buddha Shakyamuni in Ngong Ping, Lantau Island.
