Invitation...

Dear Colleagues,

Conference Series LLC extends its welcome to 25th World Congress on Nursing Care during July 24-26, 2017 at Melbourne, Australia with a theme “Nursing at its Best: Proficient and Caring”. Conference Series LLC through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community.

Conference Series LLC Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100,000 eminent personalities, reputed scientists as editorial board members.

Nursing Education Conference will focus on educational research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Attendees will be provided with the tools to enhance nursing education programs to make education more effective in nursing practice.

Conference will focus on the following topics during presentations of the three day event, which reflect current education research, developments and innovations internationally and as evidenced in both Nurse Education and Evidence Based Practice.

- Teaching, Assessment and Learning in University and Clinical Practice
- Technology, Simulation and Education
- Continuing Professional Development
- Continuing Education
- Patient Safety
- Innovation, Academic Leadership and Evaluation Research
- Midwifery Education

Organizing Committee Members

Heather J Sobko  
University of Utah College of Nursing, USA

Jinhyun Kim  
Professor, Seoul National University, Republic of Korea

Darcy J Hostetter-Lewis  
Professor, California State University, USA

Yoshiko Yamaguchi  
President, International Association for Promotion of Healthcare and Life-Science Research, Japan

Helena Knotkova  
Albert Einstein College of Medicine, USA
## Tentative Agenda

### July 24, 2017 Monday

Tourist Attractions

http://nursingcare.nursingconference.com/asia-pacific/
Melbourne City Centre, referred to as “Central City”, and colloquially known as simply “The City”, is an area of Melbourne, Victoria, Australia.

It is the core central activities district (CAD) of Melbourne’s inner suburbs and the major central business district (CBD) of Greater Melbourne’s metropolitan area, and is a major financial centre in Australia and the Asia-Pacific region. The Hoddle Grid in the City Centre is home to Melbourne’s famed alleyways and arcades and is renowned for its distinct blend of contemporary and Victorian architecture as well as expansive parks and gardens which surround its edges. The City Centre is home to five of the six tallest buildings in Australia. In recent times, it has been placed alongside New York City and Berlin as one of the world’s great street art meccas, and designated a “City of Literature” by UNESCO in its Creative.

The City Centre is the major central business district (CBD) of Greater Melbourne’s metropolitan area, and a major financial centre in Australia and the Asia-Pacific region. It is home to the corporate headquarters of the World’s two largest mining companies: BHP Billiton and Rio Tinto Group; as well as two of Australia’s “big four” banks: ANZ and NAB, its two largest gaming companies: Crown and Tabcorp, largest telecommunications company Telstra, two largest transport management companies: Toll and Transurban and the iconic brewing company Foster’s Group. Cities Network.
