Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- Judges will even evaluate the student’s enthusiasm towards their study, interest and knowledge in the area of their research.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
- Apart from the judging time you may also be present at the poster to share your research with interested delegates.

Young Researchers Forum

- Present your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.

Best Tourist Destinations in Bangkok
About Bangkok

Bangkok is the capital and most popular city of Thailand. It is one of Asia’s most cosmopolitan cities with magnificent temples and palaces, authentic canals, busy markets and a vibrant nightlife that has something for everyone. Bangkok that fills you with emotion and stimulates the senses. A city that stimulates hearing, smell, touch, taste and sight. Bangkok is among the world’s top tourist destinations. The historic Buddhist temple and Grand palace including Wat pho and Wat Arun stand in contrast with other tourist attractions such as the nightlife scenes of Khaosan Road and Patpong.

It is named as the most visited city in MasterCard’s Global Destination Cities Index, and was named “World’s Best City” for four consecutive years by Travel + Leisure magazine.
