Venue

Yokohama, Japan

Important Dates

Abstract submission opens: June 10, 2018

Registration opens: June 10, 2018

Early bird registration: September 24, 2018

On spot registration: May 20, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Nursing Care Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Nursing.

About Yokohama, Japan

Yokohama, city and port, capital of Kanagawa ken, east-central Honshu, Japan. The second most populous city in the country, it is a major component of the Tokyo-Yokohama metropolitan area, the largest urban agglomeration in Japan. Yokohama is situated on the western coast of Tokyo Bay, about 20 miles (32 km) southwest of Tokyo; the major industrial city of Kawasaki lies between the two larger metropolises. Yokohama stands on a coastal plain shut in by hills, one of which terminates toward the southeast in a promontory called Cape Hommoku. Yokohama's active cultural life is enhanced by its many public and private universities. The Kanazawa Library, founded in 1275, is renowned for its collection of historical books and documents. Yokohama's numerous museums include those dedicated to art, literature, history, and Japanese newspapers and broadcast media. There are also museums specializing in fields closely associated with the city's development, including ones for silk and shipping. Yokohama's numerous theatres present everything from traditional Noh and Kabuki plays to modern drama. Local public transportation is provided by buses and subway lines. Yokohama is connected by highways and railways with Tokyo and with other major cities of Japan. The city is served by Tokyo's Haneda airport and the international airport at Narita, across the bay in Chiba prefecture, which is accessible via the Trans-Tokyo Bay Highway from Kawasaki to Kisarazu.
