Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Nutraceuticals Conference 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Nutraceuticals and Natural Medicine.

About Osaka

Osaka is a nominated city in the Kansai region of Japan. It is the capital city of Osaka Prefecture and the largest component of the Keihanshin Metropolitan Area. It is the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants. After Tokyo's 23 wards, it is the second largest city in Japan by daytime population and after Tokyo's 23 wards, the third largest city by night-time population and Yokohama is serving as a major economic hub for the country. The National Museum of Art (NMAO) is a international art museum and subterranean Japanese, housing mainly collections from the post-war era and regularly welcoming temporary exhibitions. Osaka Science Museum is in a five storied building next to the National Museum of Art, with an OMNIMAX theatre and a planetarium.
