Scientific Program

17th International Conference on
Obesity, Diet and Nutrition
August 28-29, 2018 | Paris, France

Venue
Holiday Inn Paris – Marne La Vallée
2 boulevard du Levant, 93160 Noisy-le-grand, Paris, France
Day 1        August 28, 2018

8:00-9:00 Registrations

Hall: Paris

Opening Ceremony
9:00-9:30
Keynote Talks

9:30-10:20
Title: Updated prevalence rate of obesity in 2 to 19 years old children in the United States - preventative lessons learned: A systematic review
Ellie Abdi, Grand Canyon University, USA

Special Session

10:20-11:10
Title: Isabelle Plasmeijer’s personal journey with dieting, nutrition and health
Isabelle Plasmeijer, ISA Power Team, Netherlands

Networking and Refreshments Break 11:10-11:30 @ Le Foyer

Sessions: Obesity | Genetics of Obesity | Obesity & Weight Management | Genetics of Obesity | Current Research on Obesity

Chair: Sigal Eilat-Adar, The Academic College at Wingate, Israel

11:30-12:00
Title: Obesity induced epigenetic changes in SAT and VAT regulating adipocytes metabolism
Małgorzata Malodobra Mazur, Wroclaw Medical University, Poland

12:00-12:30
Title: Are saturated fatty acids so pure?
Sigal Eilat-Adar, The Academic College at Wingate, Israel

12:30-13:00
Title: The dynamic analysis of body composition and BMD based on different physical activity level for graduate students in China
Jingmei Dong, Tongji University, China

Group Photo

Lunch Break 13:00-14:00 @ Food & More

14:00-14:30
Title: Effects of palmitoleic acid on the expression of obesogenic genes in adipose tissue of mice submitted to a high fat diet
Maysa Mariana Cruz, Federal University of Sao Paulo, Brazil

14:30-15:00
Title: Interventions for preventing childhood obesity in African-American children: A critical review
Ellie Abdi, Grand Canyon University, USA

15:00-15:30
Title: Effects of treatment with fish oil on subcutaneous and visceral adipocytes dysfunction triggered by obesity in mice
Roberta Dourado Cavalcante da Cunha de Sa, Federal University of Sao Paulo, Brazil

15:30-16:00
Title: Changes in epigenetic marks during adipogenesis and in mature adipocytes induced by excess of palmitic, stearic and oleic acids
Małgorzata Malodobra Mazur, Wroclaw Medical University, Poland

Networking and Refreshments Break 16:00-16:20 @ Le Foyer

16:20-16:50
Title: The maintenance of a well-balanced diet necessary to promote growth at various stages of a child’s development: A case study in Ashanti region, Ghana
Richard Essel Mensah, Komfo Anokye Teaching Hospital, Ghana

16:50-17:20
Title: Efficacy of beta-glucans from barley and maintenance of normal blood LDL-cholesterol concentrations: A study case study in Ghana
Kennedy Adu Twum, Kwame Nkrumah University of Science and Technology, Ghana
| P1  | Title: FMT reduces the mortality of BALB/c mice caused by *Listeria monocytogenes* (EGD-e) infection  
Qing Liu, Professor of Shanghai University of Science and Technology, China |
|-----|--------------------------------------------------------------------------------------------------|
| P2  | Title: Efficacy of beta-glucans from barley and maintenance of normal blood LDL-cholesterol  
concentrations: A study case study in Ghana  
Kennedy Adu Twum, Kwame Nkrumah University of Science and Technology, Ghana |
| P3  | Title: Endocrine activities of adipocytes extracted from subcutaneous and visceral adipose tissues of obese  
animals induced by high fat diet and supplemented with omega 3 fatty acid  
Roberta Dourado Cavalcante da Cunha de Sa, Federal University of Sao Paulo, Brazil |
| P4  | Title: Influences of Palmitoleic Acid In metabolism and Gene expression of white Adipose tissue’s cells  
Maysa Mariana Cruz, Federal University of Sao Paulo, Brazil |
|     | **ePoster Presentation**  

---

**P1**  
Title: The relationship between anthropometric index and non-alcoholic fatty liver in patients and healthy  
individuals in oil companies of South Pars region of Assaluyeh (Iran)  
Masoumeh Dabiri, Qom University of Medical Sciences, Iran  

**Award & Closing Ceremony**

---

**Day 2**  
**August 29, 2018**

**Networking, B2B meeting and Lunch @ Food & More 11:00 -13:30**
