Invitation...

Dear Colleagues,

Conference Series LLC Ltd extends its welcome to 10th Asia Pacific Congress on Oil and Gas during December 03-04, 2018 at Bangkok, Thailand.

Conference Series LLC Ltd organizes a conference series of 3000+ Global Events with over 1000+ Conferences, 1000+ Symposia and 1000+ Workshops in USA, Europe, Middle East & Asia Pacific with support from 1000 more scientific societies and publishes 700+ Open access journals which contains over 30000 eminent personalities, reputed scientists as editorial board members.

Theme of the conference “Manifesting advancements in field of Oil and Gas” is designed in such a way to mainly focus on developments in Oil and Natural Gas, it is now being extensively used in researches and industries. We hope Oil and Gas 2018 is the best platform to discuss the basic principles involved in the advancements in the field of petroleum, natural gas and its allied areas. As this conference deals with the basics concepts, students, delegates, academicians and business people can attend the conference to root up the knowledge and excel in this field.

Conference will focus on the following topics during presentations of the two-day event, which reflect current education, research and developments.

- Advanced Oil and Gas Technologies
- Global Oil and Gas
- Oil Formation
- Upstream Process and Midstream Process
- Petroleum Science and Petroleum Technology
- Crude oil Excavation
- Biofuels and Biodiesels
- Petroleum Geology
- Offshore technologies and Offshore Operations
- Pipeline and Storage
- Future Challenges for Oil Exploration and Consumption
- Advanced Nanomaterials in oil and Gas industries
- Corporate social responsibilities in oil and gas industries
- General Issues in Oil & Gas Operations
- The Economic Effects of Oil & Gas Operations
- Emerging technology on Market and strategies
- Regulations and Ethics
- Health, Safety & Risk in an Organizational Context
- Entrepreneur Investment Meet

Organizing Committee Members

* Exclusive Exhibitor Event  |  ** Networking Event  
**Note:** Conference schedule is subject to change.  
**Note:** Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.
Glimpses of past conference

https://oil-gas.chemicalengineeringconference.com/
Bangkok is the capital and most famous city of the Kingdom of Thailand. The city occupies 1,568.7 square kilometers in the Chao Phraya River delta in Central Thailand, and has a populace of more than eight million. The official cash in Bangkok is Baht (THB). Even though, the Thai language is the most broadly used language of Bangkok, the migration of different non-Thai people group has prompted the penetration of numerous different languages in the place. Today, English has additionally gained momentum in different business and administrative zones and predominantly, in the tourist locations. Bangkok has a tropical wet and dry atmosphere and is affected by the South Asian monsoon system. It encounters hot, rainy and cool seasons; temperatures are ranging from a low of 20.8 °C (69.4 °F) in December to a high of 34.9 °C (94.8 °F) in April.

Bangkok is linked with the other nations through the national highway and rail systems, and in addition by domestic and International flights to and from the city’s two international airports. Road based transport is the principle mode of transport in Bangkok. Taxis are the popular transport system in Bangkok. Taxis appear on virtually every corner at almost any time. The Skytrain and underground rail systems connects the fundamental shopping, amusement and business regions of the city, while river taxis and express boats can be utilized to explore numerous historic places and attractions at the riverside.

**Venue:**

Avani Atrium Bangkok
Phetchaburi Rd -Soi Petchaburi 38,
Bangkapi Krung Thep Maha Nakhon 10310
Bangkok, Thailand
