## *About Barcelona*

BARCELONA is a city in Spain. It is the capital and biggest city of the self-sufficient network of Catalonia, just as the second most crowded region of Spain. With a populace of 1.6 million inside city limits, its urban region reaches out to various neighbouring districts inside the Province of Barcelona and is home to around 4.8 million individuals, making it the 6th most crowded urban territory in the European Union after Paris, London, Madrid, the Ruhr region and Milan. It is perhaps the biggest city on the Mediterranean Sea, situated on the coast between the mouths of the waterways Llobregat and Besòs, and limited toward the west by the Serra de Collserola mountain range, the tallest pinnacle of which is 512 meters high.
