## About London

London is the capital and largest city of England and the United Kingdom, with the largest municipal population in the European Union. Standing on the River Thames in the south-east of England, London is considered to be one of the world's most important global cities and has been termed the world's most powerful most desirable, [ most influential, most visited most expensive innovative sustainable, [ most investment friendly, most popular for work, and the most vegetarian-friendly city in the world

London has a diverse range of people and cultures, and more than 300 languages are spoken in the region. Its estimated mid-2018 municipal population

Due to its long history, this is a city with numerous popular celebrations and traditions, such as the Fallas (featuring the traditional Spanish dish paella), which were declared as Fiestas of National Tourist Interest of Spain in 1965 and Intangible cultural heritage by UNESCO in November 2016. From 1991 to 2015, Rita Barberá Nolla was the mayor of the city, yet in 2015, Joan Ribó from Coalició Compromís, became mayor.
