Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Optical Fibre2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Optical Fibre Communications.

About Auckland

A coastal city, set amidst beautiful harbours, Auckland is a perfect blend of sophisticated city living and outdoor beauty that makes it one of the most desirable destinations in the world. This allows you to live where you choose – close to one of the beautiful north shore or eastern beaches, in the west near native bush, or in the city itself. The largest city in New Zealand and the world's biggest Polynesian centre, Auckland is a diverse mix of contemporary lifestyle, cultural heritage, sporting achievements, economic vibrancy and colourful multi-cultural uniqueness, set in pristine marine-based environment. Located in an 11 km-wide isthmus surrounded by the Pacific Ocean and Tasman Sea, the city enjoys a mild, sub-tropical climate and diverse landscape ranging from golden beaches, bush-clad hills, native forest and 50 beautiful Hauraki Gulf Islands.
