# Invitation...

**Dear Colleagues,**

Conference Series llc LTD welcomes you to attend **Global Expo on Optical Fibre Communications** held during **November 06-07, 2018 Auckland, New Zealand** with the theme "Scientific Visualization of Modern Computer Graphics and Animations"

This international meet (Computer Graphics Congress 2018) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Computer Graphics Congress 2018. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class Optical Fibre Communications.

## **Optical Fibre 2018**

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
  - ☞ Journal of Computer Engineering & Information Technology: Open access
  - ☞ International Journal of Advancements in Technology: Open Access
  - ☞ Journal of Global Research in Computer Science

## *Conference Sessions:*

All honourable authors, researchers, scientists Professors, Animators, Industry professionals, Associations, students Faculty of Computers to disseminate are encouraged to contribute and help the shape of the Conference through submissions of their posters & research abstracts. Also, a high quality of current knowledge in the area of Computer Graphics and Animation Research contributions describing.

Original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Optical Fibre Communications is warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Optical networks
- Optical receivers
- Optical amplifiers
- Wave propagation
- Optical detectors
- Optical carrier levels
- Dispersion in optical fibers
- Fibre optic communication

### ***Important Dates:***

*Abstract submission opens: November 27, 2017*

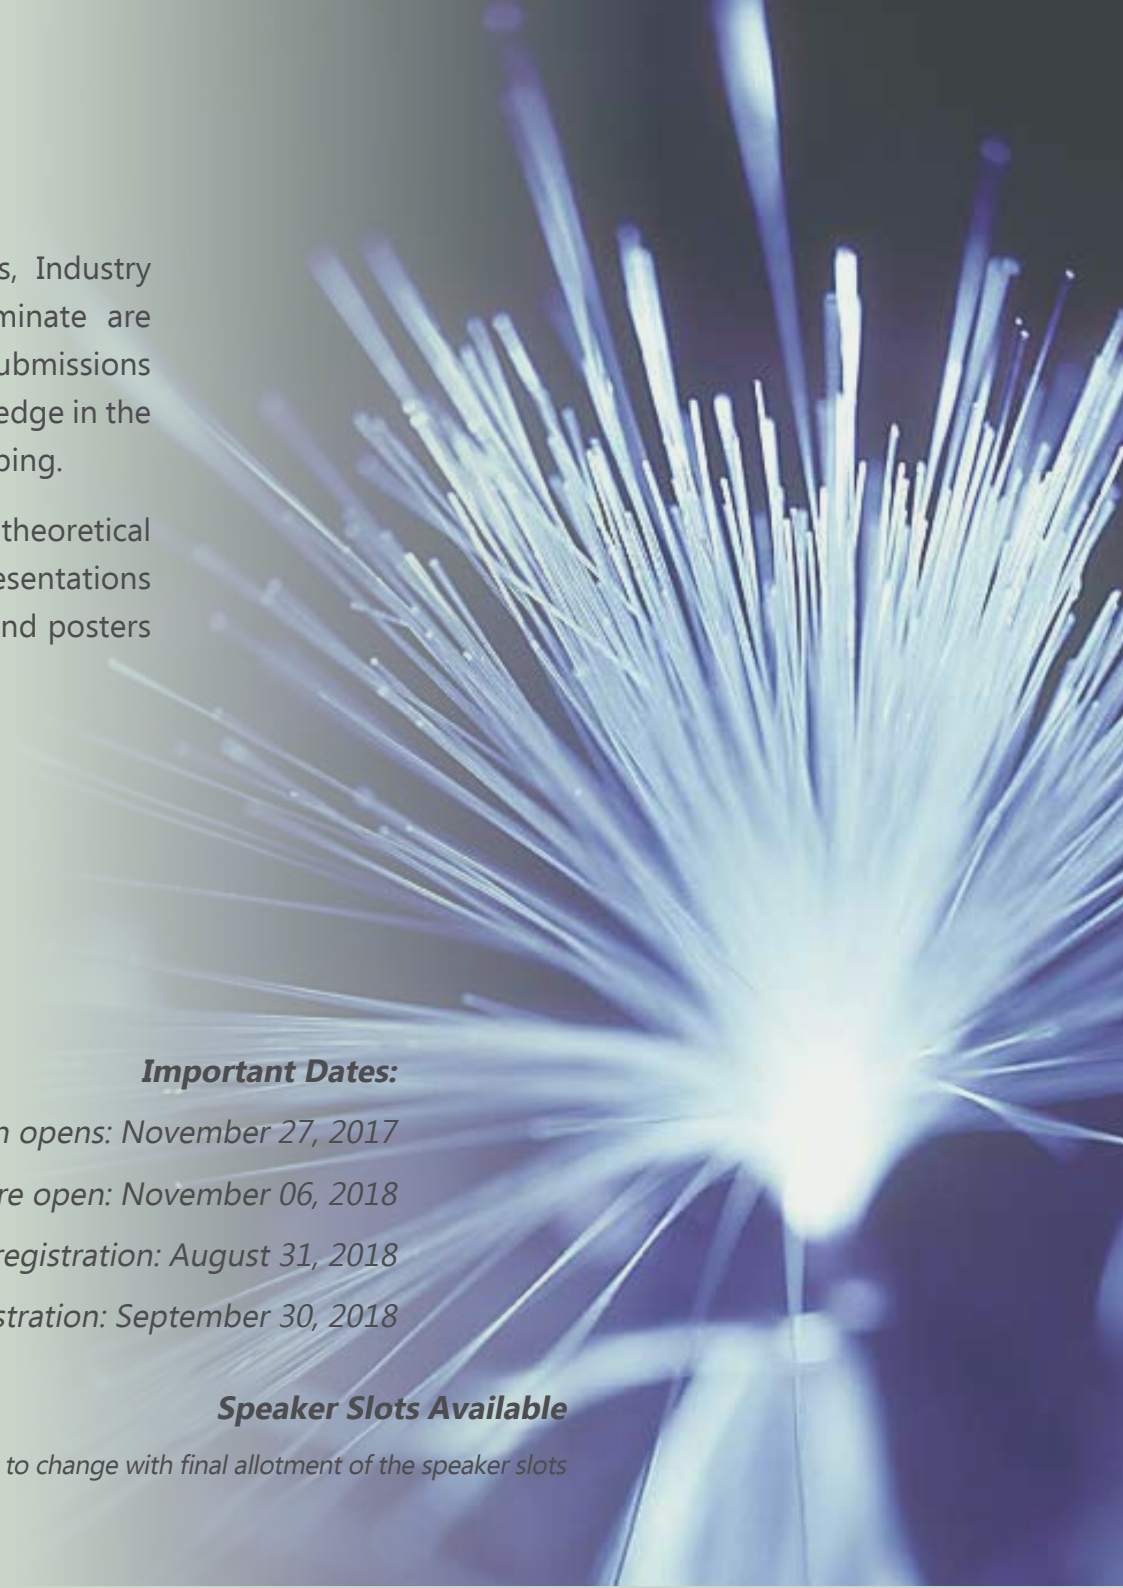

*Registrations are open: November 06, 2018*

*Early bird registration: August 31, 2018*

*Mid registration: September 30, 2018*

### ***Speaker Slots Available***

*NOTE: Program Schedule is subject to change with final allotment of the speaker slots*

# Program at Glance

## Day 1 / November 06, 2018

	Time	Session
Morning	08:00 - 09:00	<b>Registration /Reception</b>
	09:00 - 09:15	Inaugural Address
	09:15 - 10:45	Keynote/Plenary Talk no: 3
	10:45 - 10:50	Group Photo
	10:50 - 11:00	<b>Coffee/Tea Break</b>
	11:00 - 13:00	Computer Graphics, Computer Graphics Applications, Computer Animation
	13:00 - 13:30	<b>Lunch Break</b>
Evening	13:30 - 15:30	Animation Industry, Modeling, Simulation, Game Design and Development
	15:30 - 15:45	<b>Coffee/Tea Break</b>
	15:45 - 17:30	Gamification and Social Game Mechanics , Computer Vision and Pattern Recognition, Virtual, Augmented and Virtual Reality

## Day 2/ November 07, 2018

	Time	Session
	Time	<b>Session</b>
	09:00 - 10:00	Keynote/Plenary Talk no: 2
	10:00 - 10:15	<b>Coffee/Tea Break</b>
	10:15 - 13:00	Imaging and Image Processing ,  Visualization & 3D Printing , Rendering
	13:00 - 13:30	<b>Lunch Break</b>
	13:30 - 15:30	Human-Computer Interaction , 3D Web Technology
	15:30 - 15:45	<b>Coffee/Tea Break</b>
	15:45 - 17:30	Poster Session
		<b>Closing Ceremony</b>

A coastal city, set amidst beautiful harbours, Auckland is a perfect blend of sophisticated city living and outdoor beauty that makes it one of the most desirable destinations in the world. This allows you to live where you choose – close to one of the beautiful north shore or eastern beaches, in the west near native bush, or in the city itself. The largest city in New Zealand and the world's biggest Polynesian centre, Auckland is a diverse mix of contemporary lifestyle, cultural heritage, sporting achievements, economic vibrancy and colourful multi-cultural uniqueness, set in pristine marine-based environment. Located in an 11 km-wide isthmus surrounded by the Pacific Ocean and Tasman Sea, the city enjoys a mild, sub-tropical climate and diverse landscape ranging from golden beaches, bush-clad hills, native forest and 50 beautiful Hauraki Gulf Islands. The city is liberally scattered with dormant or extinct volcanoes and if you climb to the top of any one of them, chances are, you will be able to pick out at least half a dozen others. One Tree Hill being one of the most famous. Rangitoto, guarding the entrance to the Waitemata Harbour, is the biggest and very hard to miss.

Site:  
**Hilton Tokyo Narita**

456 Kosuge, Narita, Chiba Prefecture 286-0127,  
Auckland, New Zealand
