

International Conference on

Optoelectronics and Photonics

October 23-24, 2020 | Osaka, Japan

Theme: “Most recent disclosures and figuring to cutting edge imaging advancements in Photonics”

Invitation...

Dear Colleagues,

International Conference on Optoelectronics and Photonics (OPTICSPHOTONICS 2020) extends its welcome to you during **October 23-24, 2020** at **Osaka, Japan**. with a theme "**Most recent disclosures and figuring to cutting edge imaging advancements in Photonics**". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **OPTICSPHOTONICS 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Surgery.

Why to Attend???

OPTICSPHOTONICS 2020 goal is to provide participants continuing dental education, propose novel research techniques, improve the skills and expertise in the areas of Dental Health, Oral Care, Public Health Dentistry, Endodontics and Orthodontics with its well-designed scientific program and quality lectures. It also paves way for making a good relationship with the dental associates through the B2B meetings and develop better business opportunities.

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Cardiology and Healthcare are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Nano photonics and Bio photonics
- Natural photonics
- Photonic Integrated Circuits
- Microwave Photonics
- Optical material science
- Optoelectronics
- Optical Communications and Networking
- Optics and Lasers in Medicine
- Applications and Trends in Photonics
- Advancements in Photonics
- Green Photonics

OPTICSPHOTONICS 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
 - ☞ Journal of Lasers, Optics & Photonics
 - ☞ Journal of Physical Chemistry & Biophysics
 - ☞ Journal of Electrical & Electronic Systems

Program at Glance

October 23, 2020

Time	Session
08:30 - 09:30	Registrations
09:30 - 11:30	Keynote Forums
	Group Photo
11:30 - 11:45	Network & Refreshment Break
11:45 - 13:00	Introduction of Nanophotonics and Biophotonics Applications and trends in Photonics Advancements in Optoelectronics and Photonics
13:00 - 13:45	Lunch Break
13:45 - 16:00	Basic optical and RF components Photonic generation of microwave Chemical Imaging Analysis
16:00 - 16:15	Network & Refreshment Break
16:15 - 18:00	Biomedical Optical Imaging Recent Advances in Photonics and Optics
	Day Concludes

October 24, 2020

Time	Session
08:30 - 09:30	Registrations
09:30 - 10:30	Keynote Forums
10:30 - 11:30	integrated circuits with optical functions Impact of quantum communication and computing on the future of optical networks Optical Communications and Networking
11:30 - 11:45	Network & Refreshment Break
11:45 - 13:00	Pioneers in Photonics Latest progress in the nano photonics and bio photonics
13:00 - 13:45	Lunch Break
13:45 - 16:00	Biomedical applications of biophotonics Photonics interconnect Photonic crystals
16:00 - 16:15	Network & Refreshment Break
16:15 - 18:00	Poster Presentations

Day Concludes

Award Ceremony

Conferece Concludes

Venue :

Osaka, Japan

Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its main historical landmark. It's surrounded by a moat and park with plum, peach and cherry-blossom trees. Sumiyoshi-taisha is among Japan's oldest Shinto shrines.

Osaka was traditionally considered Japan's economic hub. By the Kofun period (300–538) it had developed into an important regional port, and in the 7th and 8th centuries it served briefly as the imperial capital. Osaka continued to flourish during the Edo period (1603–1867) and became known as a center of Japanese culture.

Following the Meiji Restoration, Osaka greatly expanded in size and underwent rapid industrialization. In 1889, Osaka was officially established as a municipality.

Today's Osaka is a major financial center of Japan. It is home to the Osaka Securities Exchange and the multinational electronics corporation Panasonic.
