Bangkok welcomes more visitors than any other city in the world and it doesn't take long to realise why. Bangkok is a city of contrasts with action at every turn. Marvel at the gleaming temples, catch a Tuk tuk along the bustling Chinatown or take a longtail boat through Floating Markets. Food is another Bangkok highlight, from local dishes served at humble street stalls to haute cuisine at romantic rooftop restaurants.

Luxury malls compete with a sea of boutiques and markets, where you can treat yourself without overspending. Extravagant Luxury hotels and surprisingly cheap serviced apartments welcome you with the same famed Thai hospitality. And no visit to Bangkok would be complete without a glimpse of its famous nightlife.

There are a number of Bangkok tours at your disposal One of the most notable being the Apsara Dinner Cruise. The Apsara Dinner Cruise is a perfect way for friends and family to enjoy beautiful sunset views of the city from the Chao Phraya River while chowing down on the some of the most delicious food available in the metropolis.
