# Our Programme

PCOS2018 provides a wide extended platform around the world, it also provides a great perspective to the people associated with the therapeutic research among PCOS and majorly endocrinologists to have a clear/keen view about the PCOS, and mostly it helps for the people who are within the hands of PCOS and finding a way to avoid PCOS. This lifts the hand for the researching levels under this session and this provides an excellent chance to the interns/trainees to get excellent information from the eminent people about the PCOS. And provides a global platform for the graduates and other students for the poster presentations

The topics under the meet will have unfolding impression on the upcoming research fields and creates a path of awareness to the women with PCOS and all. This congress covers the entire topics about the PCOS which includes PCOS- Women's Health, PCOS studies, PCOS related to drugs, PCOS- Associated Organs and other.

# Venue & Hospitality

Abu Dhabi is the second most populous and capital the city of the UAE. Abu Dhabi rests on a T-shaped island jutting into the Persian Gulf. Abu Dhabi is the federal capital and center of government in the United Arab Emirates. Abu Dhabi's rapid development and urbanisation is coupled with the relatively high average income of its population, has transformed the city into a large and advanced metropolis.

Currently Abu Dhabi is the country's centre of political and industrial activities, and a major cultural and commercial centre, due to its position as the capital. Its focus on oil exports and commerce is reflected by the skyline's modern towers and shopping mega centres such as Abu Dhabi and Marina malls.
