About San Antonio

San Antonio officially the City of San Antonio, is the seventh most populated city in the United States of America and the second most populated city in the state of Texas, with a population of 1,409,019. Greater San Antonio, the metropolitan area has a population of over 2.27 million based on the 2013 US Census estimate, making it the 25th-largest metropolitan area in the United States and third-largest in the state of Texas. The city is located in the American Southwest, the south-central part of Texas, and the southwestern corner of an urban region known as the Texas Triangle.

The Alamo Mission in San Antonio (“the Alamo”), located in Downtown, is Texas’ top tourist attraction. Because of the mission, San Antonio is often called the “Alamo City”. The River Walk, which meanders through the Downtown area, is the city’s second-most-visited attraction. SeaWorld, located 16 miles (26 km) west of Downtown in the city’s Westover Hills district, is the number 3 attraction. The five missions of the San Antonio Missions National Historical Park, including the Alamo, were named a UNESCO World Heritage Site on July 5, 2015. Other places of interest include the San Antonio Botanical Garden, Brackenridge Park, the Japanese Tea Gardens, the Sunken Garden Theater, the San Antonio Zoo, and The Woodlawn Theatre and the Majik Theatre a children’s educational theater.
