Venue & Hospitality

Cape Town is a port city on South Africa's southwest coast, on a peninsula beneath the Imposing Table Mountain. Slowly rotating cable cars climb to the mountain's flat top, from which there are sweeping views of the city, the busy harbour and boats heading for Robben Island, the notorious prison that once held Nelson Mandela, which is now a living museum. The city is famous for its harbour for its natural setting in the Cape Floristic Region, and for such well-known landmarks as Table Mountain and Cape Point.

Cape Town has many blissful Research Institutes and Medical Centre's for the welfare of the being. Institute of Infectious Disease and Molecular Medicine (IDM) at UCT Faculty of Health Sciences, Cape Town, acknowledges strength and clinical aspects of infectious diseases research in the faculty of Health sciences

our DELEGATE is your CLIENT

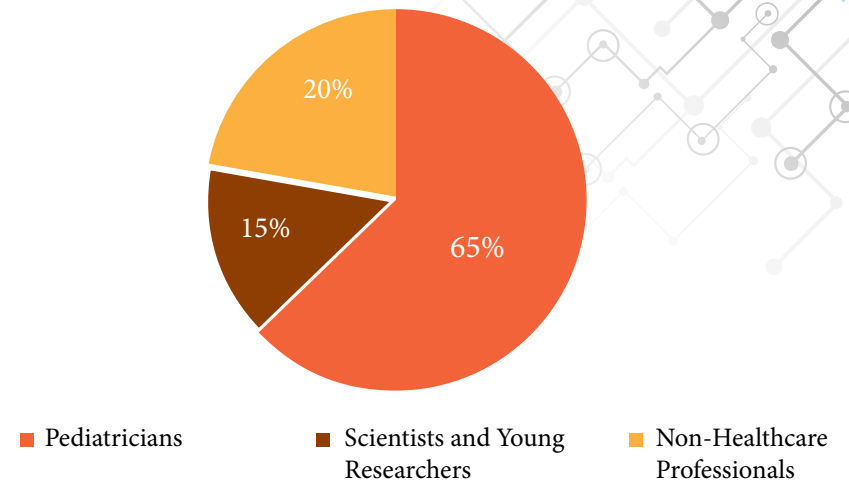

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2016-2017, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain
