A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they’re not in the same place as the meeting host or in the same room where the event or presentation is taking place.

DAY SESSIONS
09:00AM TO 17:00PM

EVENING SESSIONS
FROM 20:00PM

https://pediatrics.healthconferences.org/
Pediatrics 2020 takes an initiative to provide health practitioners an understanding about the vital role of Pediatrics in health and healing. Pediatrics 2020 is aimed to provide a distinguished opportunity to the professionals in the field of Medicine to discuss latest research and challenges in the field. Pediatrics 2020 is designed to provide an exclusive platform for Clinical Pediatrics, Neonatologist, and other Medical and Health-care professionals, researchers and students working in the field to deliberately, exchange outlooks and their knowledges in front of a large international audience.
