WELCOME ADDRESS

Dear Attendees,

We are glad to announce the **31st International Conference on Pediatrics and Neonatology** to be held in **October 03-04, 2022**, in **London, UK**, organized by Conference Series llc LTD, Europe in collaboration and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Pediatricians, Pediatric Nutritionists, General Physicians, Neonatologist, Pediatric Clinicians, Pediatric Associates, Pharmacists, Pediatric Nurses, Academicians, Pediatric Residents – coming together to present and discuss current topics in Pediatric Primary Care, Pediatric Emergency Medicine, Pediatric Primary Care Nursing, Pediatric Critical Care, Hospice and Palliative Care, Neurocritical Care, Pediatrics Primary Care Disorders, Pediatrics Primary Care Practice and will be available to discuss with you the latest issues and trends in “Exploring Advancements in the field of Pediatrics & Adolescent health”.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Pediatrics & Adolescent health Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to London this October.

Sincerely,

Pediatrics 2022

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Pediatrics 2022 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

Goals & Objectives

- The Pediatrics 2022 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pediatrics, Neonatology and Pediatric Nursing.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Pediatrics Research and Technology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

31st International Conference on Pediatrics and Neonatology is among the World's leading Scientific Conference. The two-day event on Pediatrics will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Pediatrics, Neonatology & its related issues across the globe. To foster the best learning environment, we have designed some of the sessions this year for Pediatrics conference which will comprises of 20 major sessions designed to offer comprehensive sessions that address current issues in various fields of Pediatrics.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Pediatrics provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Pediatrics 2022**.

Who Should Attend?

Pediatrics 2022 Conference website is attracting 56000+ Paediatricians, Pediatric Nutritionists, General Physicians, Neonatologist, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Pediatrics
- General Pediatrics
- Adolescent Medicine
- Pediatric Allergy and Immunology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT LONDON

London, the capital of England and the United Kingdom, is a 21st-century city with history stretching back to Roman times. Standing on the River Thames, London has been a major settlement for two millennia, its history going back to its founding by the Romans, who named it Londinium. London's ancient core, the City of London, largely retains its 2.9 km² mediaeval boundaries and in 2011 had a resident population of 7,375; making it the smallest city in England. Since at least the 19th century, the term London has also referred to the metropolis developed around this core. The bulk of this conurbation forms the Greater London administrative area, governed by the Mayor of London and the London Assembly.

London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport. It is one of the world's leading financial centres. London is a world cultural capital. London's 43 universities form the largest concentration of higher education institutes in Europe. In 2012, London became the first city to host the modern Summer Olympic Games three times.

London has a diverse range of peoples and cultures, and more than 300 languages are spoken within Greater London. The region had an official population of 8,416,535 in 2013, the largest of any municipality in the European Union, and accounting for 12.5% of the UK population.

London contains four World Heritage Sites: The Tower of London; Kew Gardens; the site comprising the Palace of Westminster, Westminster Abbey, and St Margaret's Church; and the historic settlement of Greenwich (in which the Royal Observatory, Greenwich marks the Prime Meridian, 0° longitude, and GMT). Other famous landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- ☞ By Credit Card: Visa, MasterCard or American Express
- ☞ By Bank Transfer
- ☞ By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 570
Regular Issue Publication + Registration: € 2400
Special Issue Publication + Registration: € 2600

Business

Only Registration: € 660
Regular Issue Publication + Registration: € 2500
Special Issue Publication + Registration: € 2700

Student

Student Delegate: € 330
Young Researcher Forum: € 420

Important Dates

Abstract submission opens: **January 10, 2022**
Registration opens: **January 10, 2022**
On spot registration: **October 03, 2022**

Registration Benefits:

- ✓ Access to all Sessions
- ✓ Handbook & Conference Kit
- ✓ Certificate Accreditation from the Organizing Committee
- ✓ Abstracts will be published in the conference souvenir and respective international journal
- ✓ Each registrant will get 50% abatement on manuscript publication fee
- ✓ 2 Coffee breaks (Refreshments and snacks) during the conference
- ✓ Lunch during the conference
- ✓ Wi-Fi access
