Plan Your Trip to Tokyo, Japan

Previous Congress Images

Best Poster Award

- ❖ You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- ❖ Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- ❖ The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- ❖ Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- ❖ Present your research through oral presentations
- ❖ Learn about career development and the latest research tools and technologies in your field
- ❖ This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- ❖ Develop a foundation for collaboration among young researchers
- ❖ The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- ❖ Interact and share ideas with both peers and mentors

About Japan

Tokyo is Japan's capital and the world's most crowded city. It is additionally one of Japan's 47 prefectures, comprising of 23 focal city wards and various urban communities, towns and towns west of the downtown area. The Izu and Ogasawara Islands are additionally part of Tokyo. It has neon, high rises, salaryman swarms, pressed trains, front line engineering and modern innovation. In any case, it additionally has antiquated hallowed places, plant-secured wooden houses, cycling grannies, old fashioned sweet shops and town like paths.

Tokyo is a nirvana for foodies, and has the world's most astounding volume of Michelin stars in a city. Shopping is another feature – it merits conveying an unfilled bag to load with difficult to-oppose devices, trendsetting pieces of clothing and fortunes from art and configuration stores. Furthermore, now there's another motivation to visit: the 2020 summer Olympics will occur in Tokyo. Thus, is the mind-set refreshingly cheery, as well as a pile of new advancements, inns and foundation redesigns are in the pipeline.

With more than 12.5 million inhabitants to engage, Tokyo has a considerable measure going on. Gloating the Tokyo National Museum, the National Museum of Nature and Science, the Ueno Zoo, and the sprawling green space, Ueno Park are the extraordinary spots to visit in Tokyo. Edo-Tokyo Museum and the Imperial Palace looks like the historical backdrop of Tokyo. Also, no outing here would be finished without going by some of Tokyo's Buddhist and Shinto locales like the Sensoji Temple and the Meiji Shrine.
