Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of chemical and biochemical engineering.

About Bangkok

Bangkok is the capital and most famous city of Thailand. It is one of Asia's most cosmopolitan urban communities with sublime sanctuaries and castles, credible channels, occupied markets and a lively nightlife that has something for everybody.

Bangkok that fills you with feeling and fortifies the faculties. A city that empowers hearing, smell, contact, taste and sight. Bangkok is among the world's best visitor goals. The notable Buddhist sanctuary and Fabulous royal residence including Wat pho and Wat Arun remain interestingly with other vacation destinations, for example, the nightlife scenes of Khaosan Street and Patpong.

It is named as the most gone by city in MasterCard's Worldwide Goal Urban communities List, and was named "World's Best City" for four successive years by Movement + Recreation magazine.

Bangkok Economy: Bangkok is the focal point of Thailand's economy and the nation's essential port. Bangkok is the nation's money related focus, home to more than 33% of Thailand's banks, and in addition the Bangkok Stock Trade. Thailand's essential unit of cash is the baht, with the conversion scale at roughly 40 baht for every U.S.\$1.

A large portion of the industrial facilities in Bangkok are little, a significant number of them family-possessed. Nourishment preparing, materials, and the creation of building materials are the head fabricating ventures. Different enterprises incorporate bond, gadgets, oil refining, and tourism.

Bangkok is a noteworthy provincial city, yet it has started looking for outside interest with an end goal to expand its significance globally. Ongoing occasions, be that as it may, have undermined this exertion. Bangkok's wrongdoing rate stays high, with nonnatives regularly the objectives of savagery, and across the board debasement keeps on plaguing numerous business wanders. To exacerbate the situation, the nation is enduring an extreme and waiting retreat. In the mid-1990s, the Thai economy essentially crumbled, with sends out going away and numerous banks hurt by awful advances and uncollected obligation.
