3rd International Conference on

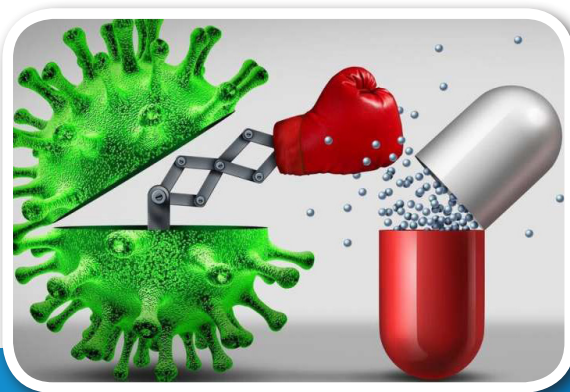

Pharmaceutical Research & Innovations in Pharma Industry

&

6th International Conference on

Antibiotics & Antibiotic Resistance

March 27-28, 2020 | Barcelona, Spain

Day 1 - March 27, 2020

09:00-09:40	Registrations
09:40-09:50	Opening Ceremony
KEYNOTE FORUM	
09:50-09:55	Introduction
09:55-10:40	Title: Bioavailability enhancement of poorly water soluble drugs (BCS class II and IV drugs) using hot-melt extrusion (HME): The cost effective approach
	Devendra Ridhurkar, Neurax Pharmaceuticals, Spain
GROUP PHOTO 10:40-10:45	
NETWORKING & REFRESHMENT BREAKS 10:45-11:00	
11:00-11:45	Title: New GSK-3 β ATP-Competitive inhibitors for the management of Alzheimer's disease: Design, synthesis and biological evaluation
	Reem K Arafa, Zewail City of Science and Technology, Egypt
11:45-12:30	Title: Pharmaceutical applications of hot melt extrusion - A novel technique
	Rashid Mahmood, Surge Laboratories Private Limited, Pakistan
Panel Discussions	
Lunch Break 12:30-13:30	
13:30-14:15	Title: Multimodal new Oxadiazoles as anticancer agents: Design, synthesis, molecular modeling and biological screening
	Reem K Arafa, Zewail City of Science and Technology, Egypt
14:15-15:00	Title: Principle and applications of mass spectrometry in health care sector
	Rashid Mahmood, Surge Laboratories Private Limited, Pakistan
15:00-15:45	Title: Microencapsulation a world wide application
	Tariq Jamshaid, Surge Laboratories Private Limited, Pakistan

PANEL DISCUSSIONS	
NETWORKING & REFRESHMENT BREAKS 15:45-16:00	
16:00-16:45	Title: Applications of Quality by Design (QbD) in formulation development
	Devendra Ridhurkar, Neurax Pharmaceuticals, Spain
PANEL DISCUSSIONS	
DAY 01 CONCLUDES	
Day 2 - March 28, 2020	
KEYNOTE FORUM	
10:00-10:45	Title: Stability indicating by HPLC method development and validation
	Muhammad Jehangir, Novamed Group, Pakistan
PANEL DISCUSSIONS	
NETWORKING & REFRESHMENT BREAKS 10:45-11:00	
11:00-11:45	Title: Antiviral activity of green silver nanoparticles produced using aqueous buds extract of <i>Syzygium Aromaticum</i>
	Humayun Riaz, Rashid Latif College of Pharmacy, Pakistan
11:45-12:30	Title: Cleaning validations in pharmaceutical industry
	Muhammad Jehangir, Novamed Group, Pakistan
PANEL DISCUSSIONS	
LUNCH BREAK 12:30-13:30	
Video Presentation	
13:30-13:50	Title: Determination of Chemical composition, antioxidant and antimicrobial properties of plants from low-altitude Achanakmar amarkantak biosphere reserve of Madhya Pradesh, India.
	Nitesh Singh, Indira Gandhi National Tribal University, India
Scientific Session-I	

13:50-14:20	Title: Antimalarial drug discovery and development: Issues and prospects
	Dipak Chetia, Dibrugarh University, India
NETWORKING & B2B MEETING 14:20 -15:45	
Networking & Refreshment Breaks 15:45-16:00	
Award and Closing Ceremony
