

Scientific Program

21st International Conference and Exhibition on

Pharmaceuticals & Novel Drug Delivery Systems

&

5th International Conference on

Pediatrics and Pediatric Surgery

March 11-12, 2020 | Rome, Italy

DAY-1

March 11, 2020

Meeting Hall: **Olimpica 3+4**

09:30-10:00 Registrations

Opening Ceremony **10:00-10:20**

KEYNOTE FORUM

10:20-10:30 Introduction

10:30-11:10 **Title: Management of incontinence in children**
Sushmita Bhatnagar, Bombay Hospital Institute of Medical Sciences, India

11:10-11:15 Questionnaires

GROUP PHOTO

Network & Refreshment Break 11:15-11:35 @ Foyer

11:35-12:15 **Title: ARFID (Avoidant/Restrictive Food Intake Disorder): Latest literature review and current pharmacological treatment options**
Anne-Frédérique Naviaux, Summerhill Mental Health Centre, Ireland

12:15-12:20 Questionnaires

12:20-13:00 **Title: New manufacturing technologies and excipients will change future drug production**
Dieter Lubda, Merck KGaA, Germany

13:00-13:05 Questionnaires

Lunch Break 13:05-14:00 @ RBG

**Sessions: Drug Targeting and Design | Pharmaceutical Formulation | Nano particulate Drug Delivery Systems
Novel Drug Delivery Systems | Biomaterials in Drug Delivery | Pharmaceutical Nanotechnology | Pediatric
Traumatology | Pediatric Surgery | Pediatric Psychology | Clinical Pediatrics | Pediatric Intensive Care |
Pediatric Genetics**

Chair: Dieter Lubda, Merck KGaA, Germany

INTRODUCTION

14:00-14:30 **Title: Non-thermal electromagnetic fields to trigger on-demand drug release from High-Tm Magnetoliposomes**
Stefania Petralito, Sapienza University of Rome, Italy

14:30-15:00 **Title: Triage of children with mental health difficulties presenting in A&E in a general hospital**

Anne-Frédérique Naviaux, Summerhill Mental Health Centre, Ireland

15:00-15:30 **Title: Familial adenomatous polyposis syndrome in children: Evidence based screening program and intervention**

D Dean Potter Jr, Mayo Clinic College of Medicine, USA

Network & Refreshment Break 15:30-15:50 @ Foyer

15:50-16:20 **Title: Comparison of the physical characteristics of cubosomes prepared using different manufacturing methods**

Marta Ruano Aldea, University of Strathclyde, UK

SPECIAL SESSION

16:20-17:20 **Title: Age-related strategies in Pediatric Traumatology**

Martin M Kaiser, BG Hospital Bergmannstrost, Germany

POSTER PRESENTATIONS 17:20-18:00 @ FOYER

Poster-01 **Title: Study on the promiscuous nature and aggregation-tendency of 4-thiazolidinone derivatives**

Kármén Szabó, University of Debrecen, Hungary

Poster-02 **Title: Screening suitable polymer for the stability of etodolac nanosuspensions using design of experiment approach**

Alptug Karakucuk, Gazi University, Turkey

Poster-03 **Title: Novel strategies for nanofiber based controlled release drug delivery systems**

Serdar Tort, Gazi University, Turkey

Poster-04 **Title: *In Vitro in Vivo* correlation (IVIVC) of Subcutaneous Formulations**

Patricia Hegger, Sanofi Aventis Deutschland GmbH, Germany

Poster-05 **Title: Studies on bio enhancement of Phyto molecules**

Aliefia Yusuf Lehri, University of Mumbai, India

DAY-2

March 12, 2020

Extended Networking & Lunch 12:00-13:00 @ RBG

Business to Business Meeting (B2B)
