Venue & Hospitality

Abu Dhabi is the second most populous city and the capital of United Arab Emirates. It is the largest of the UAE's seven emirates. It lies on a T-shaped island jutting into the Persian Gulf from the central Western Coast and has turned into bustling, modern city with broad boulevards, gleaming skyscrapers, high buildings and busy shopping malls. The city bursts with astonishing business-cum-leisure facilities extending from state-of-the-art convention middle, luxurious inns, spas, designer golf courses, theaters. The palace-like shopping centers and indigenous souqs in Abu Dhabi make for an incredible shopping endeavor. Gastronomic treats further abound from cool and advanced cafes, clubs and eateries. The island city of Abu Dhabi could be a lavish, advanced city, complete with treelined lanes, futuristic skyscrapers, huge shopping centers, and universal extravagance lodgings. The city is surrounded by the sparkling waters of the Middle eastern Inlet which offer a striking difference to the huge parks and green boulevards spread over the island.

It is a destination for the whole family, it includes interesting tourists places for the tourists to discover; the awe-inspiring Sheikh Zayed Grand Mosque, to have an adrenaline rush while challenging the world's fastest roller coaster in the largest indoor theme park, to take a stroll in the relaxing Al Ain Oasis, to feed the animals in the emirate's engaging zoos, or to have a great day out on the UAE capital's landmark Corniche. It is an awesome place to learn about the nation's tradition.
