Accommodation

A large number of rooms have been reserved. Discounted room rates for Pharmacoepidemiology Congress 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Pharmacoepidemiology & Clinical Research.

About Dubai

Dubai is a city in the United Arab Emirates, located within the emirate. The emirate of Dubai is located on the southeast coast of the Persian Gulf and is one of the seven emirates that make up the country. It has the largest population in the UAE (2,106,177) and the second-largest land territory by area (4,114 km2) after Abu Dhabi. It is one of the few cities in the world that has undergone such a rapid transformation - from a humble beginning as a pearl diving center - to one of the fastest growing cities on Earth.

Dubai today is a tourism, trade and logistics hub and has earned itself the reputation of being the ‘gateway between the east and the west’. It is also considered as the dynamic nucleus of the Arabian Gulf region. It has a fascinating history and a vibrant heritage that provides visitors an intriguing glimpse into Arabian culture.
