Dear Attendees,

We are glad to announce the 12th International Conference and Exhibition on Pharmacovigilance & Drug Safety to be held in Valencia, Spain from July 04-05, 2019 organized by Conference Series LLC, Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Pharmacovigilance Studies and will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective Pharmacovigilance.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Pharmacovigilance Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to London this June.

Sincerely,
Pharmacovigilance 2019
Organizing Committee

12+ Interactive Sessions
5+ Keynote Lectures
50+ Plenary Lectures
5+ Workshops
20+ Exhibitors

Our International Open Access Journals
• 700+ Leading-edge Peer Reviewed Open Access Journals
• 21 Day Rapid Review Process
• 50000+ Editorial Board Team, 35000+ Reviewers team
• 30 Million Readers and High Visibility
• 1000+ Scientific Associations Collaborations
• 100000+ Likes
• Publication immediately after acceptance
• Quality and Quick editorial, review processing

Salient Features
• Easy to Submit and Review Systems
• High Quality and Fast Publishing Guaranteed
• Unbiased, quality-oriented, and transparent reviews
• Truly impartial recognition of the best papers
• Feedback on the impact of every article
• Enhanced feature: Audio version of published paper
• Digital articles to share and explore
• Sharing option: Social networking enabled
• Authors, reviewers and editors are provided with scientific credits
• User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences
• More than 3000 Conferences happening across the globe
• Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
• CME/CPD Accredited Conferences fostering professional and Personal development
• Continuum of education through organized scientific program
• Renowned speakers and scientists representing from 40 countries
• Highly Interactive sessions and Panel Discussions
• B2B Meetings offers perfect platform for Global Networking

Salient Features
• Robust on-line publicity for all the speakers and organizing committee members
• Career Guidance Workshops for students and early career researchers
• Accepted Abstracts will be published in various indexed journals
• Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
• Creation of speakers and abstracts pages in Google
• Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues: All accepted abstracts will be published irrespective Conference Series ltd. Journals
Each abstract will be provided with digital Object Identifier by Cross Ref.
Pharmacovigilance 2019 Conference website is attracting 25000+ Pharmacovigilance and drug safety professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

**Pharmacovigilance 2019 salient features**
- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

**How Conference Series Conferences differs from others?**
- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

**Goals**
- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about Pharmacovigilance & Drug Safety present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objective

- After participating in this meeting, attendees should be able to discuss emerging issues in Pharmacovigilance & Drug Safety.
- Discuss and apply recent research findings related to Pharmacovigilance & Drug Safety.
- Reflect on the place of critical distance in Pharmacovigilance & Drug Safety.

Who should attend

12th International Conference and Exhibition on Pharmacovigilance & Drug Safety is exclusively designed for audience from leading Pharmaceutical industries involved in Pharmacovigilance, Drug Safety, clinical trials, contract research organizations, research institutes, patent and law firms, domestic and international regulatory agencies and executive directors of leading biopharmaceutical companies and experts and others engaged in endeavors related to Pharmacovigilance & Drug Safety research and business.

About organizing body

Conference Series is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences, 1000+ Symposiums, 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref.

Major Sessions

- Pre-Clinical and Clinical Trials
- Adverse Drug Reactions
- Clinical Trials on Various Disorders
- Pharmacovigilance and Risk Management
- Drug Safety
- Good Pharmacovigilance Practice
- Data Quality Management and Analysis
- Pharmacovigilance Significance & Scope
- Diversity in Industrial Clinical Trials and Clinical Research
- Clinical Research and Statistics
- Case Report in Clinical Trials
- Biopharmaceutical Sciences
- Clinical Data Base Management
- PV Consultings and Business Opportunity
- Regulatory Affairs
- Pharmacy Practices and its Challenges
- Entrepreneurs Investment Meet
Supporting Journals

- Journal of Pharmacovigilance
- Journal of Clinical Trials
- Journal of Clinical & Experimental Pharmacology

About Valencia

Valencia is the 3rd largest city in Spain and has all the cultural, educational and gastronomic benefits of a large city but still is a city of Barrios. Each like its own small pueblo or village with a friendly easygoing cafe lifestyle. It is city where you are more likely to wake up to church bells and birds singing than traffic and urban noise. Valencia unlike its larger siblings Madrid and Barcelona still maintains an authentic Spanish lifestyle while it has grown into a vibrant modern city. There are numerous play areas, the fantastic BioPark Zoo and Oceanographic Aquarium are sites to see again and again. There are easy connections to most European capitals and even a direct flight to the United States. High speed rail reached Valencia in 2010 and Madrid is now only an hour and a half away by train. The mountains are 15 minutes by car and beaches abound, from the expansive, well-groomed Las Arenas and Malvarosa beaches in the city to the peaceful naturalism of the nearby undeveloped shore. At Perfect Spain we are of course biased as we come from Europe, the Americas, Asia and Australia, and all chose to live here. Come visit and see for yourself. All in all, Valencia is a Perfect Place to be. You’ll fall in love with Valencia.
