

8th International Conference and Exhibition on
Pharmaceutical Development and Technology

June 08-09, 2026 | San Diego, USA

Theme: Innovations & Reforms in Pharmaceutical & Pharma Industry

INVITATION

Dear Attendees,

Conference Series LLC Ltd cordially invites all the participants across the globe to attend the “**8th International Conference and Exhibition on Pharmaceutical Development and Technology**” during **June 08-09, 2026** at **San Diego, USA**. Pharmatech 2026.

Pharmatech 2026 is an unprecedented event designed for specialists to advance the dissemination and application of research discoveries in Pharmaceutical Development, Drug Discovery, Pharmaceutical Technology, and related fields such as Biotechnology, Nanotechnology, and Clinical Research. The main theme of the conference is "Innovations & Reforms in Pharmaceutical & Pharma Industry." We are striving towards a healthier world by exploring innovative methods to revolutionize the pharmaceutical landscape for better health outcomes. This conference will highlight cutting-edge research, advancements, and discoveries in pharmaceutical sciences, drug formulation, and regulatory affairs. It aims to foster the exchange of ideas across a wide range of disciplines from pharmaceutical technology, biotechnology, clinical trials, and drug regulation, to sustainable drug development. Let's join hands with us and the most grounded scientific community, industrialists and young researchers in making an inventive world free from diseases. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions

Sincerely,

Pharmatech 2026

Organizing Committee

ABOUT US

► Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

► Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

► Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

► Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

ABOUT CONFERENCES

Pharmatech 2026 is honored to welcome you all to attend “8th International Conference and Exhibition on Pharmaceutical Development and Technology” during **June 08-09, 2026** at **San Diego, USA**. Pharmatech will raise the most dynamic and latest issues in the field of Pharmaceutical Development. The Congress will highlight the discussion around the theme “*Innovations & Reforms in Pharmaceutical & Pharma Industry*” by bringing the gaps between the intellectuals from across the globe to enlighten their research and findings at Pharmatech 2026. The Highlights of the conferences Pharmatech 2026. The expeditious growth in the research & development in the Pharma technology has revolutionized the efficacy and sensitivity of analytical devices across Healthcare, Food & Agricultural, and Defenses industries. However numerous difficulties remain for such devices and competing forms of the assay are still relevant, with some still outperforming and providing better value than other technologies.

▶ Pharmatech 2026 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

▶ How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

▶ Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about 7th International Conference and Exhibition on Pharmaceutical Development and Technology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

► Objectives

- Buildingup their scholastic and expert connections.
- Improving their assurance and certainty of showing research in an international platform.
- Interacting with expertise in their respective departments.
- Clearing your restraints of acclimating to the remote condition.
- Providing a comprehensive affair of scholastic tourism.

► Who should attend?

Academicians including professors, young researchers, scholars, students carrying out Pharmaceutical Development and Technology field studies, research scholars, doctors & physicians, directors/managers, industrial professionals, clinical researchers, healthcare professionals, and students from colleges and universities business delegates and intelligence experts vice presidents of medical institutions and hospitals

► Conference session & tracks

- Challenges In Pharmaceutical Formulations
- Innovations In Pharmaceutical Technology
- Pharmaceutical Research and Development
- Pharmaceutical Industry
- Pharmaceutical Science
- Drug Discovery and Development
- Drug Targeting and Design
- Smart Drug Delivery Systems
- Pharmaceutical Chemistry
- Digital Pharma
- Drug Product Manufacturing
- Pharmacists Role in Patient Safety
- Pharmaceutics and Pharmacotherapeutics
- Pharmacology
- Pharmaceutical Analysis

► About hosting organization

Conference series LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT SAN DIEGO

San Diego, often referred to as America's Finest City, is a vibrant coastal destination located in Southern California, renowned for its year-round pleasant climate, stunning beaches, and rich cultural diversity. With its warm hospitality and scenic surroundings, San Diego has become a preferred location for international conferences, scientific meetings, and business events. The city offers a perfect blend of professional opportunities and leisure experiences, making it ideal for attendees who wish to combine work with travel.

San Diego boasts a strong scientific and academic presence, home to world-class institutions, research centers, and innovation hubs. Its modern convention facilities, excellent connectivity, and wide range of accommodations make it a convenient and efficient destination for global delegates.

Beyond its professional appeal, San Diego offers exceptional tourist attractions. Visitors can explore the iconic Balboa Park, one of the largest urban cultural parks in the U.S., featuring museums, gardens, and the famous San Diego Zoo. The city's coastline, stretching over 70 miles, includes beautiful beaches such as La Jolla, Coronado, and Mission Beach—perfect for relaxation, surfing, or scenic walks.

The historic Gaslamp Quarter presents a lively atmosphere filled with dining, entertainment, and nightlife options. For those interested in maritime heritage, the USS Midway Museum and the waterfront area provide engaging experiences. Nature lovers can enjoy whale watching, hiking trails, and stunning viewpoints along the Pacific Ocean. San Diego's diverse culinary scene, featuring fresh seafood, international cuisine, and authentic Mexican flavors, ensures a memorable dining experience for visitors.

With its seamless blend of professional infrastructure, natural beauty, and cultural richness, San Diego promises an inspiring and enjoyable experience for conference participants and tourists alike.
