USA

Accommodation

A large number of rooms have been reserved. Discounted room rates for Physicians 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of World Physiotherapist & Physicians Summit.

About Japan

Japan is a sovereign island country in East Asia. Situated in the Pacific Ocean, it lies off the eastern bank of the Asian terrain, and extends from the Sea of Okhotsk in the north toward the East China Sea and Taiwan in the southwest. Japan, rich as it is in both standard culture and specialized improvement attracted 19.73 million worldwide tourists in 2015 and expanded by 21.8% to attracted 24.03 million global visitors in 2016. Modern Japan's economic development started in the Edo time frame. It is the fourth greatest national economy on the planet, after the United States, China and India. The nation positions second among the most creative nations in the Bloomberg Innovation Index. Japan has received the most science Nobel prizes in Asia and positioned eighth in the world. Japan is a main country in logical research, especially in fields identified with the regular sciences and designing.
