## About Atlanta:

Atlanta is the capital of and the most populous city in the US state of Georgia, Atlanta is the cultural and economic center of the Atlanta metropolitan area, home to 5,522,942 people and the ninth largest metropolitan area in the United States. Atlanta encompasses 132.4 square miles (342.9 km<sup>2</sup>), of which 131.7 square miles (341.1 km<sup>2</sup>) is land and 0.7 square miles (1.8 km<sup>2</sup>) is water. The city is situated among the foothills of the Appalachian Mountains, and at 1,050 feet (320 m) above mean sea level, Atlanta has the highest elevation of major cities east of the Mississippi River. Atlanta's 343 parks, nature preserves, and gardens cover 3,622 acres. As of 2010, Atlanta is the seventh-most visited city in the United States, with over 35 million visitors per year. Although the most popular attraction among visitors to Atlanta is the Georgia Aquarium, the world's largest indoor aquarium. Atlanta has also played a major or contributing role in the development of various genres of American music at different points in the city's history. Atlanta was established in 1837 at the intersection of two railroad lines, and the city rose from the ashes of the Civil war to become a national center of commerce. Fuelled by the prosperity of local mega-companies like Coca Cola and Holiday Inn, the prestige of hosting the 1996 Summer Olympic Games and the energy of young upwardly mobile types who have migrated to the city in droves -- Atlanta is on fire, and this time it's a good thing. From world-class restaurants and a wealth of cultural attractions to a hip nightlife and sporting events galore, the city is cosmopolitan in every sense of the word. But Atlanta has also managed to maintain its historic character. Visit the Atlanta History Center or the Martin Luther King Jr. Historical Site, a moving tribute to an American icon.

# Major Scientific Sessions

- **Physicians**
- **Surgeons**
- **Paediatrics & Child Health**
- **Anaesthesia & Perioperative Medicine**
- **Psychiatry & Mental Health**
- **Neurological Disorders**
- **Health Sciences Education**
- **Public Health & Family Medicine**
- **Health & Rehabilitation Sciences**
- **Surgery**
- **Integrative Biomedical Sciences**
- **Allergy and Clinical Immunology**
- **Hereditary Diseases**
- **Diagnosis and Imaging Techniques**
- **Infectious Diseases**
- **Oncology**

## Best Poster Award

- ✚ You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- ✚ Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- ✚ The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- ✚ Apart from the judging time you may also be present at the poster to share your research with interested delegates

## Young Researchers Forum

Present your research through oral presentations

- ✚ Learn about career development and the latest research tools and technologies in your field
- ✚ This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- ✚ Develop a foundation for collaboration among young researchers
- ✚ The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- ✚ Interact and share ideas with both peers and mentors
