Important Dates

Abstract submission opens: November 15, 2018

Registration opens: November 15, 2018

Early bird registration: February 7, 2019

On spot registration: August 19, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Physics Asiapacific- 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Tokyo

Japan is an island nation in East Asia. Located in the Pacific Ocean, it lies off the eastern coast of the Asian continent and stretches from the Sea of Okhotsk in the north to the East China Sea and the Philippine Sea in the south. Japan has the world's tenth-largest population, with over 126 million people. Honshu's Greater Tokyo Area, which includes the de facto capital of Tokyo and several surrounding prefectures, is the largest metropolitan area in the world, with over 30 million residents. Tokyo is both the political and healthcare capital of Japan. The quality and range of medical services and facilities in Tokyo have contributed largely to the growing demand for medical tourism in the country. Tokyo is the biggest metropolitan area in the world and is the busiest hub in Japan. Tokyo would have the 8th-largest economy in the world. The city's pop culture manifests itself everywhere makes it a city unlike any other and offers a unique travel experience. If that along with the great food, luxury hotels and ancient shrines are not enough of a reason to visit Tokyo.
